Plain English For Cops:

Plain English for Cops Nicholas Meier,R. J. Adams,1999 Most cops hate to write reports What cops hate even more is instruction on how to write reports Why Because instruction in report writing tends to focus on the traditional forms of grammar which cops find irrelevant and boring We agree So this book is not written like a traditional report text You won't find discussions of past perfect and future perfect verbs modal auxiliaries or correlative conjunctions You will find Plain English for Cops organized around the common mistakes that most cops actually make in their reports and how to avoid them We've approached report writing in a non traditional and humorous way Plain English for Cops can be used in basic training academies field officer training programs and remediation programs for veteran officers It can also be used in other areas such as private security corrections or any other occupation where narrative reports are important Plain English for Cops is a non textbook It uses a non technical approach to police report writing that is easy to read easy to understand and easy to apply Authors Nicholas Meier and R J Adams are available to conduct a Train the Trainer workshop at your agency The workshop is designed for command staff supervisors academy instructors and FTOs For more information contact the authors at plainenglishforcops gmail com 10-4 No More? ,2010 **Theories and Origins of the Modern Police** Clive Emsley,2017-07-05 This volume is the first of four that will provide some of the most significant English language articles on the historical development of the police institution The articles included in this volume are broadly of two kinds The first introduce some of the theoretical outlines that have been suggested for the origins and development of modern police institutions across Europe The second explore the systems of enforcement and the criticisms of them that had emerged on the eve of the revolutionary upheavals which convulsed Europe and inflicted a terminal blow to the ancien regime at the close of the eighteenth century **United States Code** United States,1995 *Catalogue of the Astor Library (continuation)*. Astor Library,1887 *The Argus* ,1885 **New York Weekly Magazine of Popular Literature, Science and Art** ,1866 **Catalogue of the Officers and Students of the University of Alabama for the Year** University of Alabama,1890 **Annual Reports of the Officers of State of the State of Indiana** Indiana,1896 **A Grammar of Late Modern English: The parts of speech: section I, A. Nouns, adjectives and articles, 1914. section I, B. Pronouns and numerals, 1916. section II.
