Personalities In Genesis:

Personalities in Genesis Naismith, James, 1977 **I Will Abolish the Bow** Matthew A. King, 2021-06-22 To be designated a person carries with it enormous social and legal entitlements Christians may be surprised to discover that the Bible considers animals persons I Will Abolish the Bow details this biblical personhood and demands that humanity reverses course on its exploitation and irresponsible dominion over animals Filled with educational rebuttals and thoughtful discourse this book is certain to challenge traditional Christian teachings on animals This book is guaranteed to satisfy Christians who desire justice for all of God's creatures *The Origins of Biblical Monotheism* Mark S. Smith, 2001-08-09 One of the leading scholars of ancient West Semitic religion discusses polytheism vs monotheism by covering the fluidity of those categories in the ancient Near East He argues that Israel's social history is key to the development of monotheism **Association of some of the Facts and Figures of Holy Scripture, designed to assist the memory of students in acquiring and retaining them, etc** Henry HUGHES (C.M. of the Oxford Blue-Coat Boys School.), 1870 Curiosities of the Bible Pertaining to Scripture Persons, Places and Things Erastus Buck Treat, 1886 *The Early History of God* Mark S. Smith, 2002-08-03 There is still much disagreement over the origins and development of Israelite religion Mark Smith sets himself the task of reconstructing the cult of Yahweh the most important deity in Israel's early religion and tracing the transformation of that deity into the sole god the development of monotheism History of the Development of the Doctrine of the Person of Christ Isaak August Dorner, Issac August Dorner, 1889 **Legends of Old Testament Characters, from the Talmud and Other Sources: Adam to Abraham** Sabine Baring-Gould, 1871 Bible Characters and Doctrines E. Mayfield, 2022-01-04 Reframing religious diversity through the stories of Cain Ishmael and Esau The way we read the Bible matters for the way we engage the pluralistic world around us For instance if we understand the book of Genesis as narrowly focused on primary characters like Abraham Isaac Jacob and Joseph we'll miss the larger story and end up with the impression that God only cares about those who are chosen In fact the narratives of marginalized biblical characters reveal that God protects and provides for them also What might this mean for Christians living in a world of religious difference today In Father Abraham's Many Children Tyler Mayfield reflects on the stories of three of the most significant other brothers in the Bible namely on God's continued engagement with Cain after he murders Abel Ishmael's circumcision as a sign of God's covenant and Esau's reconciliation with Jacob From these stories Mayfield draws out a more generous theology of religious diversity so that Christians might be better equipped to authentically love their neighbors of multiple faith traditions as God loves and has always loved all humanity **The People's Companion to the Bible ...**
