Pious Brief Narrative In Medieval Castilian And Galician Verse

Roberto J. González-Casanovas

Pious Brief Narrative In Medieval Castilian And Galician Verse:

The Art of Mystical Narrative Eitan P. Fishbane, 2018 In the study of Judaism the Zohar has captivated the minds of interpreters for over seven centuries and continues to entrance readers in the modern day Yet despite these centuries of study very little attention has been devoted to the literary dimensions of the text The Art of Mystical Narrative argues that the Zohar story must be understood first and foremost as a work of the fictional imagination *La Corónica : a Journal of Medieval Spanish Language and Literature* ,1991 Spanish medieval language and literature newsletter varies **Mystic Tales from the Zohar** Aryeh Wineman, 1998-04-19 Contains translations of eight narratives from Zohar the central text of Kabbalah on themes of sin and repentance death exile redemption and resurrection and includes notes and commentary

Les Formes narratives brèves ,1985 Les Formes narratives brèves: fasc. 2. Les formes narratives brèves en Espagne et au Portugal ,1985 *Celebrating Latino Folklore* María Herrera-Sobek, 2012-07-16 Latino folklore comprises a kaleidoscope of cultural traditions This compelling three volume work showcases its richness complexity and beauty Latino folklore is a fun and fascinating subject to many Americans regardless of ethnicity Interest in and celebration of Latin traditions such as Día de los Muertos in the United States is becoming more common outside of Latino populations *Celebrating Latino Folklore An Encyclopedia of Cultural Traditions* provides a broad and comprehensive collection of descriptive information regarding all the genres of Latino folklore in the United States covering the traditions of Americans who trace their ancestry to Mexico Spain or Latin America The encyclopedia surveys all manner of topics and subject matter related to Latino folklore covering the oral traditions and cultural heritage of Latin Americans from riddles and dance to food and clothing It covers the folklore of 21 Latin American countries as these traditions have been transmitted to the United States documenting how cultures interweave to enrich each other and create a unique tapestry within the melting pot of the United States *The ^ACantigas de Santa Maria* Henry T. Drummond, 2024-04-23 Alfonso X 1221-84 ruled over the Crown of Castile from 1252 until his death Known as the Wise he oversaw the production of a wealth of literature one of the most impressive of which is the collection of songs known as the Cantigas de Santa Maria This book offers a new perspective to the song collection probing how the Cantigas use their music and text together with rhetorical devices to communicate with their desired audience **Daily Life Depicted in the Cantigas de Santa Maria** John E. Keller, Annette Grant Cash, 2014-10-17 The hundreds of illuminated miniatures found in the Cantigas de Santa Maria sponsored by King Alfonso X 1252-84 reveal many vistas of daily life in thirteenth century Spain No other source provides such an encyclopedic view of all classes of medieval European society from kings and popes to the lowest peasants Men and women are seen farming hunting on pilgrimage watching bullfights in gambling dens making love tending silkworms eating cooking and writing poetry to name only a few of the human activities represented here Combining keen observation of detail with years of experience in the field John Keller and Annette Grant Cash bring to life a world previously little explored *Motif-index of Medieval*

Catalan Folktales Edward J. Neugaard, 1993 **Anticlerical Satire in Medieval Portuguese Literature** Patricia Anne Odber de Baubeta, 1992 Much medieval anticlerical satire stems from perceived discrepancies between proclaimed ideal and everyday reality but it also owes much to a particularly successful literary tradition and cannot be accepted without question After identifying the predominant literary characteristics of the medieval Portuguese clergy this study uses other sources sermons exempla visitation documents doctrinal tracts confession manuals and chronicles to gauge clerical success or failure in fundamental areas of responsibility attending and convoking councils and synods carrying out visitations and preaching It reveals the contrast between the literary stereotypes and documentary evidence Estudios Alfonsinos Y Otros Escritos John Esten Keller, Aníbal A. Biglieri, 1991 The Journal of Medieval and Renaissance Studies, 1978 *Revista canadiense de estudios hispánicos*, 1980 *Medieval, Renaissance, and Folklore Studies in Honor of John Esten Keller* John Esten Keller, 1980 Florilegium Hispanicum Dorothy Clotelle Clarke, Dwayne E. Carpenter, 1983 The Collected Works of Gonzalo de Berceo in English Translation Gonzalo de Berceo, 2008 For the first time the complete works of Gonzalo de Berceo are available to the English reader Originally written in the Old Spanish of the 13th century this translation preserves the medieval flavor and imagery of the poems while retelling them in a contemporary language **BOOK JACKET** **Marian Representations in the Miracle Tales of Thirteenth-century Spain and France** David A. Flory, 2000 The Marian miracle tale of thirteenth century Spain and France is an unusual thematic genre comprising tales songs poems plays and sermons dedicated to miraculous occurrences attributed to the Virgin Mary While there are scholarly articles on particular aspects of this large and important body of literature there has been no attempt to bring its principal authors together into a single scholarly study Bringing five well known thirteenth century authors together Gonzalo de Berceo Gautier de Coinci Cardinal Jacques de Vitry Rutebeuf and King Alfonso X of Spain the book shows how each used the Marian collections for individual purposes Mary is portrayed in a variety of manifestations as Mediatrix Monitrix Mater Dei National Patroness and even as something close to the troubadour's desired or unattainable Lady Berceo was a secular priest who found an older collection of tales useful as an instructive tool Gautier an aristocratic monk of intellectual refinement had a nearly exclusively artistic interest in his Marian materials while Cardinal Jacques de Vitry an eminent churchman and eloquent reformer sought with his carefully chosen tales to bring Marianism into the fold of doctrinal orthodoxy Rutebeuf a minstrel accepted the tales as popular piety and returned them to his audience in a spirit of reproach to the sometimes heavy handed didactic use made of the material by churchmen with vested interests Finally the personal voice and directing presence of Spain's King Alfonso X makes of his famous Marian collection the *Cantigas de Santa Maria* a part of his social and religious program for Spain Additionally a reflection upon the formalist criticism of Bakhtin and Todorov suggests new possibilities for seeing within some Marian tales of the period a subtle tool for the subverting of perceived Church excesses *Journal of Hispanic Philology*, 1978 *Dictionary of the Literature of the Iberian Peninsula [2 Volumes]* German Bleiberg, Maureen Ihrie, Janet

Perez,1993-06-21 Contributions of Iberian born writers have gone largely unrecognized by most European and American readers The rich history of literary achievements in the Iberian Penninsula is now available in this unprecedented dictionary Defining literature in the broad sense the Dictionary includes historical religious cultural and philosophical writings as well as prose poetry and drama from the Iberian Peninsula Virtually all entries have been composed by noted scholars and are complemented wherever possible by bibliographies of primary texts and selected critical studies as well as existing English translations of primary texts This two volume work generally includes literature from the tenth century to the mid 1980s and with a few exceptions is limited to writers born in the Iberian Peninsula A guide to determining the format of the Dictionary was the classic Diccionario de Literatura Espanola by German Bleiberg and Julian Marias But this updated and reworked version devotes more attention to writings by formerly neglected or forgotten works by female authors and to writers in major languages other than Spanish in the peninsula including Portuguese Catalan and Galician There are also entries on major time periods movements and other topics Titles of works discussed are translated to English Wherever possible the text of each entry is followed by a three part bibliography and some cross referencing The Dictionary will appeal to English speaking non specialists as well as scholars of Iberian literature **Imperial Histories from Alfonso X to Inca Garcilaso**
Roberto J. González-Casanovas,1997

Thank you completely much for downloading **Pious Brief Narrative In Medieval Castilian And Galician Verse**. Most likely you have knowledge that, people have look numerous period for their favorite books following this Pious Brief Narrative In Medieval Castilian And Galician Verse, but end going on in harmful downloads.

Rather than enjoying a good book following a cup of coffee in the afternoon, then again they juggled once some harmful virus inside their computer. **Pious Brief Narrative In Medieval Castilian And Galician Verse** is within reach in our digital library an online permission to it is set as public appropriately you can download it instantly.
