Refugee Protection A European Challenge:

Refugee Protection Vigdis Vevstad, 1998-01-01 3 1 Who is a refugee *International Refugee Law* H?ne Lambert, 2017-07-05 The essays selected and reproduced in this volume explore how international refugee law is dynamic and constantly evolving From an instrument designed to protect mostly those civilians fleeing the worse excesses of World War II the 1951 Refugee Convention has developed into a set of principles customary rules and values that are now firmly embedded in the human rights framework and are applicable to a far broader range of refugees In addition international refugee law has been affected by international humanitarian law and international criminal law and vice versa Thus there is a reinforcing dynamic in the development of these complementary areas of law At the same time in recent decades states have shown a renewed interest in managing migration thereby raising issues of how to reconcile such interests with refugee protection principles In addition the emergence of concepts of participation and responsibility to protect promise to have an impact on international refugee law **Refugee Protection and Civil Society in Europe** Margit Feischmidt, Ludger Pries, Celine Cantat, 2018-09-29 This volume analyses civil society as an important factor in the European refugee regime Based on empirical research the chapters explore different aspects structures and forms of civil society engagement during and after 2015 Various institutional collective and individual activities are examined in order to better understand the related processes of refugees movements reception and integration Several chapters also explore the historical development of the relationship between a range of actors involved in solidarity movements and care relationships with refugees across different member states Through the combined analysis of macro level state and European policies meso level organization s activities and micro level individual behaviour Refugee Protection and Civil Society in Europe presents a comprehensive exploration of the refugee regime in motion and will be of interest to scholars and students researching migration social movements European institutions and social work **The Refugee Definition in International Law** Hugo Storey, 2023 In international law the definition of refugee is widely seen as unclear This book systematically analyses the interpretation ordering and interrelationship of the definition s components as well as the disputes that have arisen around it The volume seeks to clarify propositions and demonstrate there is progress toward a working definition Poverty, International Migration and Asylum G. Borjas, J. Crisp, 2005-03-01 This book examines the economic consequences of immigration and asylum migration it focuses on the economic consequences of legal and illegal immigration as well as placing the study of immigration in a global context **Research Handbook on International Law and Migration** Vincent Chetail, Céline Bauloz, 2014-03-28 Migration is a complex and multifaceted issue and the current legal framework suffers from considerable ambiguity and lack of cohesive focus This Handbook offers a comprehensive take on the intersection of law and migration studies and provides strat **Textbook on Immigration and Asylum Law** Gina Clayton, Caroline Sawyer, 2012-07-19 This volume examines the law and system of control which govern immigration and asylum in the UK It begins with the historical

and legal context explains who is subject to immigration control and describes the legal and administrative structure of the system

Complementary Protection in International Refugee Law Jane McAdam, 2007 This book provides a comprehensive analysis of complementary protection from its historical development through to its contemporary application By examining the human rights foundations of the Convention the architecture of Convention rights regional examples of complementary protection and principles of non discrimination the book argues that the Convention acts as a type of *lex specialis* for persons in need of international protection providing a specialized blueprint for legal status irrespective of the legal source of the protection obligation

Undesirable but Unreturnable Migrants: the Challenges of Dealing with Criminal Migrants in Need of Protection Júlia Zomignani Barboza, 2025-10-13 This book studies how States regulate the situation of migrants in need of international protection who have a criminal background or pose a threat to public order Regulating the situation of these migrants is a challenge to States which may sometimes resort to measures that violate human rights The book thus evaluates the solutions applied identifying best practices and suggesting a possible human rights compliant solution for this situation

Refugee Protection Joanna Sokólska, 2002 Karlsruher juristische Bibliographie, 2001 *Refugee Survey Quarterly*, 2010 UK Asylum Law and Policy Dallal Stevens, 2004 Modern Legal Studies is a series of short monographs which aims to make a significant contribution to legal scholarship and curriculum development This title focuses on UK asylum law and policy

Current Challenges Regarding the International Refugee Law, with Focus on EU Policies and EU Co-operation with UNHCR Elspeth Guild, Violeta Moreno Lax, 2013 From an examination of the instruments of the Common European Asylum System CEAS and related policy measures regarding border surveillance and migration management two interrelated issues stand out as particularly sensitive Access to asylum and responsibility for refugee protection The prevailing view supported by UNHCR and others is that responsibility for the care of asylum seekers and the determination of their claims falls on the state within whose jurisdiction the claim is made However the possibility to shift that responsibility to another state through inter state cooperation or unilateral mechanisms undertaken territorially as well as abroad has been a matter of great interest to EU Member States and institutions Initiatives adopted so far challenge the prevailing view and have the potential to undermine compliance with international refugee and human rights law This note reviews EU action in the field by reference to the relevant legal standards and best practices developed by UNHCR focusing on the specific problems of climate refugees and access to international protection evaluating the inconsistencies between the internal and external dimension of asylum policy Some recommendations for the European Parliament are formulated at the end including on action in relation to readmission agreements Frontex engagement rules in maritime operations Regional Protection Programmes and resettlement

Challenges of Security Sector Governance Heiner Hänggi, Theodor Winkler, 2003 The war in Iraq in spring 2003 was a further indication of the resecuritization of international relations triggered by the terrorist attacks of September 11 2001 However the new or renewed primacy of security will be of a rather

different nature as compared to the Cold War period The underlying assumption of the essays in this volume is that security issues will increasingly be approached from a governance perspective and that in this context the internal dimension of security governance security sector governance is an issue whose rapidly growing importance has not yet been duly recognized Heiner Hnggi is assistant director of the Geneva Centre for the Democratic Control of Armed Forces Theodor H Winkler is director of the Geneva Centre for the Democratic Control of Armed Forces **European Access** ,2001 **Philip C. Jessup International Law Moot Court Competition** Association of Student International Law Societies,1981 A Compilation of the Problems Judges Briefs Rules andleading written Memorials which comprise the Philip C Jessup International Law Moot Court Competition To be issued annually Cross-Departmental Challenges Patrick Whelan,2003 **Netherlands International Law Review** ,2001 *New Security Challenges in Postcommunist Europe* Andrew Cottey,Derek Averre,2002 Written by leading scholars from Eastern and Western Europe this book highlights the fundamental security issues affecting Europe as the postcommunist states are drawn into the continent s mainstream
