Stephen Tierney

Referendums And Democratic Government Normative Theory And The Analysis Of Institutions:

Referendums and Democratic Government Maija Setälä, 2016-01-06 Referendums and Democratic Government is the most systematic analysis of the referendum so far The referendum phenomenon is approached from different perspectives social choice theory theories of democracy a comparative study on 22 democracies and in depth case studies of Sweden Denmark and Switzerland The referendum is not a unitary phenomenon but it serves various functions and different normative goals in the political systems studied This variation may largely be explained by the differences in the initiating and agenda setting procedures

Referendums and Democratic Government Maija Setälä, 1999-04-01 The Routledge Handbook to Referendums and Direct Democracy Laurence Morel, Matt Qvortrup, 2017-12-12 Over the last 30 years referendums have played an increasingly important role in determining government policy Recent high profile referendums in Scotland Catalonia and Ukraine have continued the movement towards independence referendums following decolonization and the end of the Cold War The Greek bailout referendum and Britain's vote on membership of the EU reflect a tradition of European states giving their people a direct say in the transfer of sovereign powers to the European Union seen through the ratification of key treaties such as Maastricht Amsterdam Nice and Lisbon This Routledge Handbook covers key aspects and issues of direct democracy and referendums throughout the world including their history when why where how and on which issues referendums are held why some referendums are more democratic than others how referendums are won whether they produce good policies if referendums increase participation and improve the quality of representative democracies do referendums increase trust in democracy and the political actors the impact of new technology on the possibilities methods and frequency of direct public political participation how they should be regulated Covering other related areas such as recall citizen juries and random selection this compendium is an indispensable guide to referendums and the workings of modern democracy

The Politics of Referendum Use in European Democracies Saskia Hollander, 2019-04-02 This book demonstrates that the generally assumed dichotomy between referendums and representative democracy does not do justice to the great diversity of referendum types and of how referendums are used in European democracies Although in all referendums citizens vote directly on issues rather than letting their political representatives do this for them some referendums are more direct than others Rather than reflecting the direct power of the People most referendums in EU countries are held by and serve the interests of the political elites most notably the executive The book shows that these interests rarely match the justifications given in the public debate Instead of being driven by the need to compensate for the deficiency of political parties decision makers use referendums primarily to protect the position of their party In unravelling the strategic role played by national referendums in decision making this book makes an unconventional contribution to the debate on the impact of referendums on democracy

The Limits and Legitimacy of Referendums Richard Albert, Richard Stacey, 2022-04-25 The possibility of democracy enhancing uses and anti democratic

abuses of referendums reveals a paradox mechanisms of democracy can be exploited to do violence to the basic principles of democracy The Limits and Legitimacy of Referendums seeks to identify standards we might use to assess the democratic legitimacy of a referendum when we cannot rely on the norms of traditional liberal democracy This innovative book explores how referendums manage the tension between liberalism and democracy and whether this device holds promise for reconciling these two commitments A range of scholars from around the world expose how referendums may be abused on one hand to achieve short term political or even personal gains and how on the other they may aspire to reflect the best traditions of deliberative innovative democracy enhancing popular decision making Structured around three big questions this book seeks to identify what makes a referendum legitimate First why have referendums on issues of fundamental political importance become so frequent around the world Second who are or who should be the people that make decisions about a political community s future And third are referendums an effective and reliable mechanism of popular sovereignty or democratic choice These essays written for scholars public lawyers political actors and citizens bring together diverse perspectives on referendums constitutionalism liberalism and democracy in ways that challenge the conventional wisdom prompt new answers to enduring questions and urge reconsideration of how we evaluate the legitimacy of referendums

Constitutional Referendums Stephen Tierney, 2012-04-05 The constitutional referendum has become a vital feature of modern constitution making and reform This book provides the first full length analysis of the theoretical foundations of constitutional referendums assessing their democratic credentials and the design decisions that affect the value and legitimacy of the referendum process

EU Enlargement and Referendums Aleks Szczerbiak, Paul Taggart, 2013-09-13 A series of EU accession referendums were held in nine candidate countries eight post communist states and Malta between March and September 2003 These referendums provide us with an excellent comparative opportunity to deepen our understanding of the European integration issue and how it interacts with domestic politics and of the dynamics of referendums in general and referendums on the European issue in particular This book therefore provides a set of focused comparisons between these different cases Each of the individual chapters provides an authoritative analysis of the referendum campaign and outcome in each of the countries concerned by a leading specialist on the politics of that country This book was previously published as a special issue of the journal West European Politics

Comparative Constitution Making David Landau, Hanna Lerner, 2019 Recent years have witnessed an explosion of new research on constitution making Comparative Constitution Making provides an up to date overview of this rapidly expanding field

Wenn Parlamente vors Volk ziehen Nils Arne Brockmann, 2021-10-25 Akklamation Okkupation und Verantwortungsflucht Ratsreferenden genie en als Top down Verfahren in der lokalen Politikforschung einen zweifelhaften Ruf Nils Arne Brockmann unternimmt nun erstmalig eine empirisch systematische Erforschung des direktdemokratischen Entscheidungsinstruments Anhand vergleichender Fallstudien in vier St dten untersucht er die vielf

Itigen Initiierungsgründe und Akteurskonstellationen von Ratsreferenden Er hinterfragt dabei ihre im Vergleich zu Bürgerreferenden negative Rezeption und entwickelt eine Analyseheuristik die auch auf Top down Referenden anderer politischer Ebenen übertragbar ist *Referendum Democracy* M. Mendelsohn, A. Parkin, 2001-09-25 As the referendum becomes a more regular component of decision making it leaves few if any institutions processes and values of democracy untouched Political actors of all kinds including political parties and interest groups seek to use the referendum device to further their own objectives The end result is a different kind of democracy than existed before This book lays out the comparative research agenda on the impact of referendums on the practice of liberal democracy **Die Demokratien der deutschen Bundesländer** Markus Freitag, 2008 **Cultures at War** T. Alexander Smith, Raymond Tatalovich, 2003 This book marries rigorous scholarship with riveting examples of morality policy The role of values ethics and competing moral visions in public policy has long needed treatment of this scope and clarity Leslie A Pal Carleton University *Bibliographie Internationale de Science Politique*, 1999 The JCMS Annual Review of the European Union in ..., 2005 *Direct Democracy in Asia*, 2006 *Temple Law Review*, 2006 *Direct Democracy* Andreas Auer, Michael Bützer, 2001 This text aims to provide the reader with insights into Eastern European democracies It is divided into two parts the first part presents 12 country reports focusing on seven issues and the second part contains theoretical papers which place the topics tackled in the book in a broader context **Current Publications in Legal and Related Fields**, 2001 *American Book Publishing Record*, 1999 □□□□□□□□, 2009

Referendums And Democratic Government Normative Theory And The Analysis Of Institutions Introduction

In today's digital age, the availability of Referendums And Democratic Government Normative Theory And The Analysis Of Institutions books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Referendums And Democratic Government Normative Theory And The Analysis Of Institutions books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Referendums And Democratic Government Normative Theory And The Analysis Of Institutions books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Referendums And Democratic Government Normative Theory And The Analysis Of Institutions versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Referendums And Democratic Government Normative Theory And The Analysis Of Institutions books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Referendums And Democratic Government Normative Theory And The Analysis Of Institutions books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Referendums And Democratic Government Normative Theory And The Analysis Of Institutions books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries

often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Referendums And Democratic Government Normative Theory And The Analysis Of Institutions books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Referendums And Democratic Government Normative Theory And The Analysis Of Institutions books and manuals for download and embark on your journey of knowledge?

FAQs About Referendums And Democratic Government Normative Theory And The Analysis Of Institutions Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Referendums And Democratic Government Normative Theory And The Analysis Of Institutions is one of the best book in our library for free trial. We provide copy of Referendums And Democratic Government Normative Theory And The Analysis Of Institutions in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Referendums And Democratic Government Normative Theory And The Analysis Of Institutions. Where to download Referendums And Democratic Government Normative Theory And The Analysis Of Institutions online for free? Are you looking for Referendums And Democratic Government Normative Theory And The Analysis Of Institutions PDF? This is definitely going to save you time and cash in something you should think about.
