Garvey defines the I 70 Showdown Series not only by the literal highway that links the two teams home cities but the individual and collective roads travelled by the players and others who took part in the event both before the Series began and well after the last cheers faded In addition to gripping human stories and vivid descriptions of on field action long overshadowed by Denkinger s monumental blunder Garvey s work captures the provincial spectacle of the Show Me Series throughout the state of Missouri Featuring 27 new interviews conducted by the author including with George Brett Ozzie Smith Don Denkinger Bud Black Andy Van Slyke Ricky Horton and Mark Gubicza Interstate 85 is baseball history writing at its deepest and most captivating      **Ron Shandler's 2024 Baseball Forecaster** Brent Hershey,Brandon Kruse,Ron Shandler,Ray Murphy,2024-06-22 For more than 35 years the very best in baseball predictions and statistics The industry s longest running publication for baseball analysts and fantasy leaguers Ron Shandler s Baseball Forecaster published annually since 1986 is the first book to approach prognostication by breaking performance down into its component parts Rather than predicting batting average for instance this resource looks at the elements of skill that make up any given batter s ability to distinguish between balls and strikes his propensity to make contact with the ball and what happens when he makes contact reverse engineering those skills back into batting average The result is an unparalleled forecast of baseball abilities and trends for the upcoming season and beyond      Sports Fan's Connection ,1992 Get in touch with leading sources of sports information in the United States with the help of this Gale resource Included is information about US leagues teams organizations associations colleges halls of fame events media books videos and publications      *Play Harder* Gerald Early,National Baseball Hall of Fame,2025-04-29 An authoritative exploration of how Black Americans have shaped baseball from its emergence after the Civil War to the Negro Leagues and Jackie Robinson s breaking of the color barrier up to today s game by award winning author Gerald Early in collaboration with the National Baseball Hall of Fame No sport has been more associated with America s sense of itself with its identity than baseball No sport has been so inextricably bound with America s traditions with its notions of democracy and fair play than baseball And no professional sport in America has been as dramatically connected to social change as Major League Baseball when it became racially integrated the moment Jackie Robinson took the field with the Brooklyn Dodgers on April 15 1947 Play Harder comes at a time when the history of Black baseball has become especially relevant following MLB s recent recognition of the Negro Leagues as major leagues and the effort to incorporate statistics from the Negro Leagues into those for all players Before Robinson as Play Harder shows Black athletes played baseball as far back as the 1800s even before the establishment of the Negro Leagues But once founded in 1920 the Negro Leagues gave Black Americans an inroad to baseball that would be enduring and profound The leagues were an instrument of community building during a time when discrimination separated Black people from all white enterprises including baseball and they paved the way for racial integration that Black players hoped would come Play Harder showcases the Black stars of the game those from baseball s early years such as Moses Fleetwood Walker and Rube Foster Negro

Leagues stars like Satchel Paige and Cool Papa Bell Jackie Robinson and those who crossed the color line after him like Hank Aaron and Willie Mays followed by Frank Robinson and Curt Flood and the stars who ushered in today s game such as Reggie Jackson Dave Winfield Barry Bonds and Ken Griffey Jr Playing out against the cultural and political events of 150 years the story bears witness to the richness of this country s diversity while remaining clear eyed about the racial injustice endured by Black Americans In the end Play Harder celebrates the triumph of some of baseball s greatest players and their remarkable contributions to the game we know and love today
