Nhl Opening Night Last 90 Days:

When the NHL Invaded Japan Steve Currier, 2022-06-21 When the NHL announced in early 1976 that its two worst teams the Washington Capitals and Kansas City Scouts would travel to Japan for a four game exhibition series dubbed the Coca Cola Bottlers Cup fans and media were baffled The Capitals and the Scouts were both expansion teams with a combined 46 wins 236 losses and 38 ties in their first two seasons stats made more dismal when considering seven of those wins were against each other Yet lagging so hopelessly behind the rest of the NHL they were perfect for a one off event on the other side of the globe The series was an eye opening success Players skated on an Olympic swimming pool ringed with rickety boards hung with fishing nets that boomeranged pucks into their faces as curious Japanese fans gasped at the gap toothed Canadians wrestling on the ice Filled with rare photos and player recollections this book tells the story of how two league doormats became hockey heroes half way around the world

The Rebirth of Professional Soccer in America Dennis J. Seese, 2015-03-06 The history of soccer in the United States is far richer and more complex than many people realize Leagues competed in the U S

as far back as the late 1800s and in 1919 Bethlehem Steel became the first American professional soccer team to play in Europe when they toured Sweden Multiple leagues existed during the early 1900s but after the American Soccer Association folded in 1933 the country did not see a rebirth of professional soccer until 1967 It was a painful hostile revival that saw dueling groups of American sports entrepreneurs fracture into two separate professional leagues The United Soccer Association USA and the National Professional Soccer League NPSL The Rebirth of Professional Soccer in America The Strange Days of the United Soccer Association tells the story of this largely forgotten chapter in the sport s history The USA and NPSL were ragged misshapen pieces of a puzzle that refused to fit together two leagues competing directly for fans and revenue While the USA was a league sanctioned by FIFA but absent from the nation s airwaves the NPSL was considered an outlaw league by FIFA but it held an exclusive television contract with CBS This would have been strange enough but the USA league imported entire teams from Great Britain Italy and South America including Stoke City Wolverhampton Wanderers Cagliari Calcio and Bangu This book recounts soccer riots in Yankee Stadium teams with dual identities World Cup winners on the pitch and a cast of characters featuring the likes of Phil Woosnam Lamar Hunt Derek Dougan and Gordon Banks Drawing on meticulous research and interviews this book reveals the little known story that unfolded on the field in the boardroom and across the country during this single strange season of professional soccer Featuring an impressive group of global soccer legends this book delivers a fascinating piece of soccer history for the growing legions of American soccer supporters as well as for soccer fans around the world **New York Magazine** ,1984-02-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Frommer's Toronto 2011** Pamela Cuthbert,2011-01-04 Completely updated every year Frommer s Toronto features gorgeous color photos of the sights and experiences that await you Our author a longtime resident of Toronto guides you through the city from the Theatre District to the Art in depth coverage of the city s architecture and dining scene detailed walking tours accurate neighborhood maps advice on planning a successful family vacation and side trips to Stratford Niagara and The Muskoka Lakes Frommer s Toronto also includes a color fold out map **Princeton Alumni Weekly** ,1998 Who's who in Hockey Stan Fischler,Shirley Fischler,2003 If there is one book that s missing from the ever growing number of hockey books available it is an A to Z guide of the sport s all time greatest stars Finally that book has arrived Veteran hockey authors Stan and Shirley Fischler s Who s Who in Hockey is the complete guide to the game s greatest players This indispensable hockey reference book features all of the sport s most notable players from Wayne Gretzky and Howie Morenz to Rocket Richard Marcel Pronovost and Bep Guidolin For easy reference this comprehensive 480 page volume is divided into three parts pre World
