Name _____

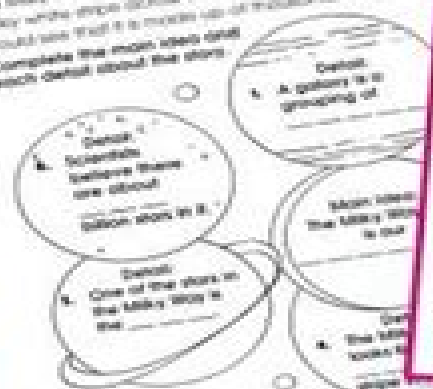

The Milky Way

The main idea of a story tells what the story is mostly about. Find the main idea.

What do you think of when you hear the words, "Milky Way"? Is candy corn? Well, there is another Milky Way, and you live in outer space. The Milky Way is a spiral-shaped galaxy with out from the center of it. Scientists believe there are about 100 billion stars in the Milky Way. One of those stars is the sun, and planets orbit Earth. Even from Earth, on a clear night, away from city lights, the Milky Way is called that because so many stars in the Milky Way are so close together.
