Reddit Near Me:

Understanding Reddit Elliot T. Panek, 2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit s communities this book provides a uniquely comprehensive overview of the platform s first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social behavior on Reddit plays out and as a way of locating it within multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology

Korean Culture in the Global Age Joanne Miyang Cho, Lee M. Roberts, 2025-06-30 Since the late 1990s South Korean cultural products such as pop music TV drama and film have shaped the country s image around the world This book explores these three internationally best known media of the Korean Wave global phenomenon along with a less commonly featured aspect K literature Iconic images of South Korea today include stylish music groups like BTS and Blackpink appealing dramas and a range of films and digital comics manhwa Alongside associations with glitz and glamor are darker impressions continuing political division malaise over a war that never really ended Korean Culture in the Global Age focuses on these and other facets of South Korea s constantly changing international image to show how it has come to command worldwide attention In recent years readers in a growing number of languages have discovered the talent of South Korean authors through the efforts of countless translators Showing developments in and occasional connections between themes in K pop K drama K film and K literature the book provides a more comprehensive view of contemporary South Korean culture This volume will interest researchers and students of Korean Studies Asian Studies Asian American Studies popular music film studies migration and diaspora studies and world literature

The Hidden Psychology of Social Networks: How Brands Create Authentic Engagement by Understanding What Motivates Us Joe Federer, 2020-09-15 From the former Head of Brand Strategy at Reddit comes a proven and thought provoking approach to the digital economy and how brands can create authentic engagement that is rooted in the fundamental motivations behind human psychology Leading marketing practitioner and thought leader Joe Federer draws on evolutionary biology anthropology neuroanatomy and psychology as well as more than a decade of hands on experience to explain why people act so differently in various online spaces and what they are seeking from participating in each one With a framework based on Freud s Id Ego and Superego model of the human psyche he demonstrates how the internet is a digital reflection of the collective human psyche and how different social networks correspond to different mindsets platforms like Reddit to the unfiltered Id Facebook and

Twitter to the managed Ego and Instagram to the ideal Superego In the same way you behave differently when you re home alone out with friends communicating with family or interacting with coworkers people act and express themselves differently in these various online spaces Context matters Understanding this will enable you to develop and execute effective engagement strategies to reach your target audiences on each social network Learn how to create content that drives sharing and word of mouth how brands can fit natively into different types of social channels how to balance branded social presences across different networks why authenticity will only grow in importance to consumers Fascinating and deeply compelling The Hidden Psychology of Social Networks will equip you to make vastly more efficient use of your media buys establish more thoughtful strategies develop better creative and in the end deliver more effective marketing that provides value
