A Revelation of Jesus Christ Jacob Brubaker Smith, 1961 In many respects this commentary is more than simply another book. It represents a lifetime of studying and lecturing on the book of Revelation by the late J. B. Smith. For many years he was in demand within his Christian fellowship to speak on this great book. One of his cherished hopes was to see the results of his labor sent forth in a commentary for the common man. This being his aim, studied effort was made to avoid the language of the scholar yet at the same time Smith wanted to employ all the tools of Bible study. This commentary is an attempt to make plain the meaning of Revelation. With commendable reserve Dr. Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism. His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible. Dr. Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period. Of

judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom The distinguishing feature of this commentary is its use of biblical statistics and comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text Preface and Introduction

*Biblical Studies on the Internet* Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use

**Charts on the Book of Revelation** Mark Wilson, 2007 This first of its kind charts book does not seek to support specific interpretations of end times prophecies Instead it depicts the literary historical and

theological backgrounds of Revelation arguably the New Testament's most challenging book Includes seventy nine charts timelines and maps All charts are reproducible for classroom use     Revelation Ray C. Stedman, Nancy J. Collins, 2003-01-01 This is a 24 week Bible study on the Book of Revelation including both commentary and daily study questions     Revelation Robert W. Wall, 1991 Horsemen signs seals weeks this volume in Hendrickson's popular New International Biblical Commentary tackles the New Testament book that puzzles and intrigues laypeople and students alike Wall takes a sane common sense approach to Revelation explaining both its historical setting and its apocalyptic character Like other NIBC volumes this commentary uses the NIV for clarity and accessibility Wall's commentary is a valuable contribution to the study of Revelation It interacts well with most of the leading contemporary scholarship in the field It provides an angle of perspective on John's vision that opens some new vistas into its meaning and provides healthy correctives of many misconceptions This is a useful resource for college and seminary classes on Revelation and a helpful tool for those with theological biblical training who would lead Bible studies on Revelation M Robert Mulholland Jr Asbury Theological Seminary

**Baptist Theology** James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal     *Digging Deep into the Revelation of Jesus Christ* Michael Copple, 2019-01-21 The purpose of this guide is to promote learning discussion and blessing The greatest benefit of the layout is that the reader has four columns side by side to enhance ease of understanding and use time more effectively Following the design of a parallel Bible with four columns side by side the Revelation Chapter is the left most column In column 2 is the commentary on that Chapter with references to other verses and passages To save the reader from searching for reference Books and verses those Scriptures are printed in

column 3 on the side facing page Column 4 consists of the commentary for the reference verses *A Testimony of Jesus Christ - Volume 1* Anthony Charles Garland, 2007 *A Commentary on the Book of Revelation Volume 2* The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides

**HEAVEN** Michael G. Maness, 2004-12-01 In heaven we shall know everlasting rest and the full measure of our inheritance Though no eye has seen what God has prepared for us from Revelation 21-22 we can understand a little of what heaven will feel like We shall know a new freedom economy purity peace and so much more Those will be the simple experiences The greater experiences will be in everlasting love most especially in an everlasting marriage and an enduring intimate community Likewise we shall know a growing and everlasting security within our grand heritage within God's promises and in the work of Christ Yet the greatest experience of all is also the hardest to understand because it is the farthest removed from our earthly experience The greatest experience of all will be that for the rest of our everlasting loving lives we will share in the very life and glory of our dynamic and loving God our loving Father and Abba The greatest experience in heaven will be the very life and light that we share with God Himself so very personal and loving to the uttermost
