Why Communism Failed Jasper Becker,2022-11-01 Communism was destroyed not from without but from within by a persistent failure to make its economic theories work in practice But what exactly did go wrong with its central planning Until the last moment top western economists claimed that Communism was superior to western models Even now centralized Marxist planning retains its admirers especially among the young With the benefit of new archival research we can finally grasp how falsified and manipulated statistics blindfolded Communist governments and confused western leaders leading to staggering errors of judgement Both sides believed that East Germany had a stronger economy than West Germany that North Korea would overtake South Korea that Mao s China was a paradise for its starving peasants Those who warned that a dearth of reliable economic data would condemn central planning to irrational misallocation of investment and labor were ignored or belittled But ultimately they were vindicated Jasper Becker answers the big question

what accounts for the fall of Communism in the Soviet Union China and everywhere else And why don t present debates acknowledge that failure This unconventional history of Communism and the Cold War explains why the same old clash of theories is continuing to shape the world today *The British National Bibliography* Arthur James Wells,2009 *Gcse Modern World History* Hugh Jebson,2005-07-01 Topic CueCards are perfect for quick revision of subject content The cards in this set cover a careful selection of concepts and topics central to the core subject areas Written by an experienced examiner each pocket sized card combines concise discussion of a concept or topic with a diagrammatic summary and a key point to aid the revision process *The Cold War* Konrad H. Jarausch,Christian Ostermann,Andreas Etges,2017-02-06 The traces of the Cold War are still visible in many places all around the world It is the topic of exhibits and new museums of memorial days and historic sites of documentaries and movies of arts and culture There are historical and political controversies both nationally and internationally about how the history of the Cold War should be told and taught how it should be represented and remembered While much has been written about the political history of the Cold War the analysis of its memory and representation is just beginning Bringing together a wide range of scholars this volume describes and analyzes the cultural history and representation of the Cold War from an international perspective That innovative approach focuses on master narratives of the Cold War places of memory public and private memorialization popular culture and schoolbooks Due to its unique status as a center of Cold War confrontation and competition Cold War memory in Berlin receives a special emphasis With the friendly support of the Wilson Center Revise GCSE History Alan Scadding,Colin Shephard,2005 New editions of the bestselling Revise GCSE Study Guides with a fresh new look and updated content in line with curriculum changes Revise GCSE contains everything students need to achieve the GCSE grade they want Each title has been written by a GCSE examiner to help boost students learning and focus their revision Each title provides complete curriculum coverage with clearly marked exam board labels so students can easily adapt the content to fit the course they are studying Revise GCSE is an ideal course companion throughout a student s GCSE study and acts as the ultimate Study Guide throughout their revision
