Revivals Awakening And Reform An Essay On Religion And Social Change In America 1607 To 1977:

Religion in America John Corrigan, Winthrop Hudson, 2015-08-07 This comprehensive narrative account of religion in America from 1607 through the present depicts the religious life of the American people within the context of American society It addresses topics ranging from the European Puritan origins of American religious thought the ramifications of the Great Awakening the effect of nationhood on religious practice and the shifting religious configuration of the late 20th century

Amerika, das Experiment des Fortschritts Margarita Mathiopoulos, 1987 Bekannt wurde die in Deutschland aufgewachsene Griechin als Brandt sie zur Parteisprecherin der SPD nominierte In diesem aus ihrer Dissertation entstandenen Buch untersucht sie die Idee des Fortschritts in den Vereinigten Staaten die Gemeinsamkeiten und Unterschiede im Geschichts und Fortschrittsbewusstsein der Amerikaner und Europäer Den Totalzielsetzungen dem Irrationalismus und Kulturpessimismus in Europa setzt die vom Gedankengut der Aufklärung geprägte Liberale den Pragmatismus der Amerikaner entgegen Ihre eine Fülle von Material aufarbeitende entschiedene Stellung beziehende Studie erreicht das gesteckte Ziel zum besseren Verständnis Amerikas beizutragen 3

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Transformationen der Religion in der Neuzeit Hartmut Lehmann, 2007 English summary Transformations of Protestantism in the past help us to better understand the problems of Protestantism in our time and perhaps how these problems can be solved In this volume three major changes in the history of Protestantism are discussed First the influence of the demographic social cultural and political crises of the seventeenth century second the role of revival movements within Protestantism in the late seventeenth and the eighteenth centuries third the impact of nationalism on the life and work of major Protestant scholars in the nineteenth and twentieth centuries German description Warum veränderte und verwandelte sich der Protestantismus in den Jahrhunderten seit Luthers Tod Warum wurde die protestantische Tradition auch von Protestanten immer wieder in Frage gestellt Drei kritische Perioden werden in dem vorliegenden Band anhand von spezifischen Beispielen untersucht die Auswirkungen der Krisen des 17. Jahrhunderts die weitreichenden Folgen der Erneuerungsbewegungen des späten 17. und des 18. Jahrhunderts und schließlich die Einwirkungen des Nationalismus auf Denken und Verhalten führender Protestanten im späten 19. und im 20. Jahrhundert Hartmut Lehmann liefert in diesem Band erste Schritte hin zu einer neuen und

umfassenden Analyse der Eigenart des Protestantismus The Oxford Companion to United States History Paul S. Boyer, Melvyn Dubofsky, 2001 In this volume that is as big and as varied as the nation it portrays are over 1 400 entries written by some 900 historians and other scholars illuminating not only America's political diplomatic and military history but also social cultural and intellectual trends science technology and medicine the arts and religion Amerikanische Aufklärung Frank Kelleter, 2002 **The Spiritual Kingdom in America** Richard Silver, 1983 **Religion and American Culture**, 1998 **Religion And Politics In America**, Robert Booth Fowler, Allen D. Hertzke, 2004-08-06 Religion and politics are never far from the headlines but their relationship remains complex and often confusing In this significantly revised third edition of Religion and Politics in America the authors offer an accessible and balanced treatment of religion in American politics They explore the historical cultural and legal contexts that underlie religious engagement while also highlighting the pragmatic and strategic political realities that religious organizations and people face Incorporating the best and most up to date scholarship the authors assess the politics of Roman Catholics evangelical mainline and African American Protestants Jews Muslims and other conventional and not so conventional American religious movements The work examines important subjects concerning religion and its relationship to gender race and class The treatment of recent voting behavior provides an in depth understanding for students of how religion and politics relate in practice These core topics along with specific contemporary case studies useful focus study boxes and new emphases on Islam Latinos international affairs and popular culture further enhance this third edition for courses in political science religion and sociology departments *Acadiensis*, 1990 *Encyclopedia of Religion in America* Charles H. Lippy, Peter W. Williams, 2010 Explores the origins development influence and interrelations of the many faiths practiced in North America including major world religions and emerging sects cults and movements Ohio Valley History, 2005 **Women in American Religion** Paul S. Boyer, 1980 Cotton Mather called them the hidden ones Although historians of religion occasionally refer to the fact that women have always constituted a majority of churchgoers until recently none of them have investigated the historical implications of the situation or the role of woman in the church But the focus of church history has been moving toward a broader awareness from studying religious institutions and their pastors to studying the people the laity and the nature of religious experience This book explores the many common elements of this experience for women in church and temple regardless of their differences in faith Sociological Analysis, 1985 History and Progress Margarita Mathiopoulos, 1989-09-20 Concisely written and compelling this book offers a provocative look at European American relations It focuses on the tradition of common political ideas the original roots of common European and American thought the decision by the two continents not to develop in isolation from one another and the traditional ambivalence of the European caught indecisively between reliance upon and distance from the United States From classical antiquity to contemporary society Mathiopoulos unfolds the paradoxical relationship between the U S and Europe the simultaneous

occurrence of reciprocal attraction and mutual misunderstanding She describes how America was born of European intellectual stock enlightenment reason religious freedom equality democracy the rights of man and the desire to achieve these things in the New World She also tells us that the idealism of progress of the European enlightenment gave rise to the American Dream which constitutes the consciousness of the American people and is woven into their domestic and foreign policy to this day This stimulating book will interest anyone involved in the field of comparative political thought as well as those interested in the evolutionary and revolutionary process of the idea of progress in Europe and the United States The idea of progress forms the core History and Progress Mathiopoulos shows that faith in progress and the desire for a better world have been the major stimuli for historical change in the modern world She describes how Europe gave birth to this idea and throughout history became largely disenchanted with it In contrast the United States inherited this concept and has utilized it for over 200 years to maintain its sense of identity and self awareness History and Progress explains not only how the idea of progress inspired the founding of America but how the concept provides momentum for the historical development of the nation to the present In short the American Dream preserved the progressive optimism projected by the Enlightenment in the United States even when it had since disappeared from European historical thought The Canadian Protestant Experience, 1760 to 1990 George A. Rawlyk,1990 **Heaven, Harmony, and Home** Lynette M. Roth,1996 Social Realities in the Making Irén Annus,2005 American Journal of Theology & Philosophy ,1982 *Midamerica* ,1989
