Redeeming a Prison Society Amy Levad, 2014-01-01 The U S criminal justice system is in a state of crisis from unprecedented rates of imprisonment and recidivism to the privatization of the prison system and the disproportionate representation of particular racial ethnic social and economic groups all of which is within a larger social justice context Catholics and Protestants have largely failed to offer vital theological responses Amy Levad offers a Catholic perspective that directly addresses the concrete issues from a strongly interdisciplinary approach and utilizes the rich liturgical and sacramental resources of penance and Eucharist to offer a theological vision of reform Repentance in Christian Theology Mark J. Boda, Gordon T. Smith, 2006 This volume is a major resource for the interpretation theology and practice of communal and individual penitence It gives teachers preachers and serious students of theology an exhaustive source of information and inspiration for renewing the initial call of Jesus to Repent and believe in the Gospel Mark 1 15 Doorways to the Sacred Ian Mobsby, Phil Potter , 2017-06-28 Fresh Expressions of Church are key aspect of mission strategy for many denominations in the UK and beyond Here a stellar line up of writers explores the central question of how Fresh Expressions turn from mission projects into authentic forms of church developing a sacramental life of their own Chapters include Lucy Moore on Messy Church and Holy Communion Graham Cray on the sacraments for the unchurched Jonathan Clark on baptism and mission John Drane on seeing the world as sacramental Sue Wallace on the sacramentality of sacred space Reagan Humber pastor at Nadia Bolz Weber s church on liturgy and evangelism Adrian Chatfield on healing **Making Confession, Hearing Confession** Annemarie S. Kidder, 2010-03-01 Is confession obsolete Far from it Annemarie Kidder has learned At unexpected times and in unexpected places we hear the confession of a friend or a perfect stranger at crucial times in our lives we tend to unburden ourselves of matters that trouble our conscience While some churches offer opportunities for sacramental confession others provide counseling outside the sacramental framework Some confessional practices have been secularized as in psychotherapy and professional counseling others find expression in evangelistic crusades and Christian 12 step programs Meanwhile the scope of confessors has widened to include men and women religious and lay spiritual directors Addressing this broad audience Kidder reviews the origins and history of confession from biblical times to the early modern era examines contemporary practices of confession penance and spiritual direction that have emerged in the twentieth century and offers practical considerations for evaluating and improving one s own practice either as confessor or penitent Readers will be grateful for this concise historical overview of confession and Kidder s assurance that despite its undervalued or misunderstood practice this cure of souls is anything but obsolete **Liturgy and Music** Robin A. Leaver, Joyce Ann Zimmerman, 1998 Liturgy and Music Lifetime Learning is not only for pastoral music majors but also for professional pastoral musicians pastors and liturgical practitioners This volume should help those involved with liturgy especially its music gain a basic knowledge of liturgy worship and an introduction to the scope and role
