Hedges, 2021-01-08 Forty Meditations for Your Journey Toward Christlikeness The Christian life is a journey of spiritual and moral transformation into the glorious image and likeness of God's Son the Lord Jesus Christ This journey is lifelong We begin this journey when we first believe in Jesus but will not reach our final destination until the final resurrection when our bodies will be raised transformed and glorified as we are fully and finally conformed to the image of Christ As with any lengthy journey sometimes Christians lose their way We can become disoriented and confused We mistake the terrain we have already traversed lose sight of the road on which we tread and forget the destination to which we travel Sometimes we take detours Or we get stuck on the side of the road All of us sometimes need help In *To Be Like Jesus* Brian G Hedges provides a series of encouraging road signs brief meditations with questions for personal reflection and application to help you in your journey toward Christlikeness **Wisdom for the Journey** Ellen Shuck, 2013-11-18 *Wisdom for the Journey* is an inspiring collection of true life scenarios Ellen Shuck shows that life is indeed a journey filled with bumps and unpredictable perils and pitfalls Yet in spite of the unpleasant and seemingly insurmountable obstacles that you encounter life is filled with mountain tops joy and promise as well One can never give up says Shuck She writes in a style that is both serious and meaningful but also interesting and filled with hope She stirs your curiosity and her stories and bits of wisdom inspire you to keep on reading They are lessons in motivation endurance and the resiliency of human beings Rather than presenting a dull wordy manuscript Shuck has broken each life lesson into a brief section Each story has a moral that you haven't thought of before She presents her valuable insights gleaned from life in a way that everyone can relate to them Shuck's morsels of wisdom keep the reader clamoring for more She writes a newspaper column and people who read them cut them out and save them to refer back to to use as devotionals and to send to others who benefit from them Many who are depressed have found solace merely from

reading Shuck's reflections that are spiritual psychological and down to earth God plays a major role is Shuck's outlook on life She offers insights into why things happen and how you can best deal with them Wisdom for the Journey is a valuable tool for living a happier life and understanding that everything happens for a reason She talks about how everyone can have true happiness and presents a formula for happiness Shuck delves into discussions of death work and loving yourself to giving someone a dream Her reflections and stories appeal to all ages and walks of life Shuck draws from life experience and her background and education in psychology spirituality religion and philosophy If you need a boost more insight or an interesting read this book is for you People have encouraged Shuck to write a book so here it is Christian Herald and Signs of Our Times ,1881 *Exodus Old and New* L.
