

A person is walking away from the viewer towards a bright, glowing horizon over a field. The sky is filled with warm, orange and yellow light, suggesting a sunrise or sunset. The person is wearing a light-colored shirt and shorts. The text "The SILENCE of GOD" is overlaid on the image, with "SILENCE" in a large, stylized font and "GOD" in a very large, bold font.

The SILENCE of GOD

Silence Of God

Sir Robert Anderson

Silence Of God:

The Silence of God Robert Anderson, 2007-04-01 Where is God today How can he allow evil and suffering in the world Have miracles ceased Sir Robert Anderson one of the most popular lay preachers at the turn of the 20th century devoutly believed that the Bible was the inerrant word of God and in this classic of Christian apologetics first published in 1907 he attempts to answer these conundrums for the faithful through appeal to Scripture Seekers after spiritual succor will find comfort in Anderson's arguments while anyone interested in the rise of fundamentalist Christianity in the 21st century will find a fascinating illustration of the movement's beliefs While at Scotland Yard Irish police official and religious scholar SIR ROBERT ANDERSON 1841-1918 helped investigate the Jack the Ripper murders but he is best remembered for his works of Bible study including *Forgotten Truths* *Daniel in the Critics Den* and *The Coming Prince* **The Silent God** M.C.A. Korpel, Johannes C. de Moor, 2011-03-24 The silence of God is a recurring theme in modern reflection It is not only addressed in theology religious studies and philosophy but also in literary fiction film and theatre The authors show that the concept of a silent deity emerged in the ancient Near East including Greece What did the Ancients mean when they assumed that under circumstances their deities remained silent What reasons are discernable for silence between human beings and their gods For the first time the close interrelation between the divine and the human in the revelatory process is demonstrated here on the basis of a wealth of translated ancient texts In an intriguing epilogue the authors explore the theological consequences of what they have found **The silence of God** Sir Robert Anderson, 1935 *When God Is Silent* Dr. D. K. Olukoya, 2016-05-04 When God is Silent Over the years people have been limiting God in their lives When they do God hides His face from them A man can prevent God from working in his favor business spiritual life and handwork In this all revealing book you will learn what those things are that can make God a spectator in a person's life what the consequences of God's silence are and the secrets of how to stay in tune with God *Silence in Heaven* Thomas Merton, Abbaye Benedictine Sainte-Marie de la Pierre-qui-Vire (Saint-Leger-Vauban), 1956 *The Silence of God during the Passion* Daniel Bourguet, 2016-08-03 God's silence during the passion is certainly a silence towards man but in particular God was silent towards Christ in his perfect and complete humanity It is also the silence of the Father towards the Son At first sight this silence is troubling and perhaps shocking suggesting that God is in fact absent However the author invites us to go beyond this first impression and the silence turns out to be of tremendous richness overwhelming depth and surprising beauty We are invited to refocus our attention and discover what the Father is saying in a completely new way These pages sing with love for God and our meditation of the passion narratives draws us into deep contemplation of the One they celebrate the Crucified *Instructions on the Revelation of St. John the Divine* Cresswell Strange, 1899 *The Homiletic quarterly* [afterw.] magazine Homiletic magazine, 1883 **The Silence of God** Helmut Thielicke, 1966 **The Silent God** M.C.A. Korpel, Johannes C. de Moor, 2011-03-24 Like the biblical Job many people suffer under the silence of God This book shows

that it is enlightening to retrace the origins of the concept of divine speech and silence in the ancient Near East and Greece
