## COVER LETTER

---

Dear Hiring Manager,

I am writing to express my interest in the User Experience Designer position at JPMorgan Chase & Co. I am truly excited about the opportunity to join the Employee Experience Corporate Technology (EECT) design team and contribute to creating a better experience for employees worldwide.

With a Bachelor's degree in Human Computer Interaction and over 5 years of experience as a designer for enterprise software and responsive web applications, I have developed a strong foundation in digital and usability design. Throughout my career, I have worked closely with business and technology teams to deliver best-in-class solutions. As the UX lead for high-profile applications, I have successfully collaborated with UX researchers, designers, and UI designers to create intuitive user experiences.

An accomplishment that showcases my skills and qualifications is when I led the UX design process for a web application project aimed at enhancing employee productivity. By leveraging our design system, I created wireframes and interactive POCs that seamlessly integrated user feedback and business requirements. Through usability research and iterative design iterations, I was able to refine the application, resulting in increased user engagement and streamlined workflows.

In addition to my technical expertise, I possess excellent communication and negotiation skills that enable me to effectively collaborate with stakeholders and advocate for the user. I am committed to usability and user-centered design principles, and I have a solid understanding of Web Content Accessibility Guidelines (WCAG 2.0) and assistive technologies. My experience working across multiple teams and release cycles, as well as my familiarity with agile project management, has allowed me to effectively deliver exceptional user experiences.

I am confident that my passion for elegant and emotionally rich design, coupled with my extensive experience, make me an ideal candidate for this role. I am eager to contribute to the success of JPMorgan Chase & Co. and would welcome the opportunity to discuss further how my skills align with your organization's needs.

Thank you for considering my application. I look forward to the possibility of scheduling an interview to discuss how I can contribute to the team and create remarkable user experiences.

Sincerely,

[Your Full Name]  
User Experience Designer
