Managing E-commerce in Business J. Botha,C. H. Bothma,Pieter Geldenhuys,2008-02-27 Information and Communication Technology ICT is becoming indispensable in the spheres of business government education and entertainment It makes Internet marketing e government e learning and online chat services possible And its commercial aspect e commerce is part of this trend Today no business training is complete without the inclusion of at least the basics of e commerce But although e commerce has opened up new opportunities it also presents threats and risks The success of e commerce hinges on security and trust Every business manager should therefore have a fundamental awareness of the meaning of e commerce and ICT security and risk management This second edition provides guidelines for overcoming these challenges by exploring the ways in which entrepreneurs and managers should co operate with IT experts to exploit opportunities and combat the threats imposed by new technologies

Information Systems for Managers Gabriele Piccoli,2008 Uncovers the role technology plays in the growth and success of a firm for the non IT personnel This book helps you learn how to evaluate the information technology and trends from a strategic non technical standpoint It also teaches you how to effectively communicate with IS professionals about specific implementations for strategic purposes

How to Do Everything with Google Tools Donna Baker,2007-10-15 Get the most out of Google products and services with help from this easy to use guide How to Do Everything with Google Tools shows you that Google is so much more than a search engine offering other features such as shopping mapping blogging advertising and much more You ll also learn to use the email communication document and spreadsheet tools that make up Google Apps This book shows you how to maximize the Google tools that can make your work more efficient your business more profitable and your online experience more fun Shop on Google Product Search and streamline purchasing with Google Checkout Navigate with Google Maps and Google Earth or create custom maps Communicate on Google Groups and with Google Talk Manage and share photos and other images with Picasa Promote your business with AdWords Make money on your site by hosting AdSense ads Customize your online experience with iGoogle Google Notebook Web
