Practice Of Residential Work:

The Practice of Residential Work Roger Clough, 2000-04-13 This text sets residential life and work in the context of wider social systems focusing on the function homes serve in looking after young people and adults who would struggle to live elsewhere Roger Clough highlights what residential workers need to know and do in order that together with residents they organise systems and lifestyle to provide the best service Good residential practice develops from theory and understanding of people structures residential practice research methods and findings organisational and management theory and critically ethics and values *Integrating Social Work Methods* Harry Specht, Anne Vickery, 2021-11-07

Throughout its history social work has been seeking a means to state its purposes and methodology as a unity that transcends the purposes and methodology applicable in particular fields of practice or sanctioned by particular legislation or practised by a particular kind of worker Recent changes in society developments in social work practice new additions to the knowledge base of social work and current reorganisation of the social services had led to an intensified interest in this integrated approach Originally published in 1977 *Integrating Social Work Methods* introduces the reader to the main developments in the conceptualisation of a unitary method It clarifies what it is that is being unified identifies issues involved in the attempt to unify and discusses their implications for social work practice and training As such it represented the first substantial British text in the field and was widely welcomed by social work practitioners administrators and educators at the time

Working with Young People in Secure Accommodation Jim Rose, 2014-04-16 The detention of children and young people as a response to delinquent and antisocial behaviour remains a topical and controversial issue In this new edition of *Working with Young People in Secure Accommodation* Jim Rose provides an historical perspective on the topic of young people in custody and discusses the changes that have taken place in youth justice and the secure estate over recent years Rose introduces new material and has updated the original content in order to reflect changes in policy and practice New areas covered include a consideration of the issues arising for children and families who are detained while issues of immigration and removal are being determined and the detention of children in police custody Using a framework of ideas and theories to support staff thinking the central chapters explore in detail the dynamics that emerge when the daily work of staff requires them to engage with vulnerable young people in the intense conditions of a locked environment The relationships between staff and young people are shown as critical for the achievement of positive outcomes Taking a unique look at the issue of detention and its impact on young people this highly topical book will be invaluable reading for practitioners academics policy makers and senior managers as well as students of social work youth justice and education

Forty Years of Research, Policy and Practice in Children's Services Nick Axford, Vashti Berry, Michael Little, Louise Morpeth, 2005-06-24 Founded in 1963 Dartington Social Research Unit conducts scientific research into child development within the context of children's services with a view to informing interventions for children in need Originating from a

The Business of Private Medical Practice James A. Schafer, 2013-12-26 Unevenly distributed resources and rising costs have become enduring problems in the American health care system Health care is more expensive in the United States than in other wealthy nations and access varies significantly across space and social classes James A Schafer Jr shows that these problems are not inevitable features of modern medicine but instead reflect the informal organization of health care in a free market system in which profit and demand rather than social welfare and public health needs direct the distribution and cost of crucial resources The Business of Private Medical Practice is a case study of how market forces influenced the office locations and career paths of doctors in one early twentieth century city Philadelphia the birthplace of American medicine Without financial incentives to locate in poor neighborhoods Philadelphia doctors instead clustered in central business districts and wealthy suburbs In order to differentiate their services in a competitive marketplace they also began to limit their practices to particular specialties thereby further restricting access to primary care Such trends worsened with ongoing urbanization Illustrated with numerous maps of the Philadelphia neighborhoods he studies Schafer's work helps underscore the role of economic self interest in shaping the geography of private medical practice and the growth of medical specialization in the United States

Work and Labor Relations in the Construction Industry Dale Belman, Janet Druker, Geoffrey White, 2021-02-16 The need for a skilled motivated and effective workforce is fundamental to the creation of the built environment across the world Known in so many places for a tendency to informal and casual working practices for the sometimes abusive use of migrant labor for gendered male employment and for a neglect of the essentials of health and safety the industry its managers and its workforce face multiple challenges This book brings an international lens to address those challenges looking particularly at the diverse ways in which answers have been found to manage safe and productive employment practices and effective employment relations within the framework of client demands for timely and cost effective project completions Whilst context history and contractual frameworks may all militate against a careful attention to human resource issues this makes them even more deserving of attention Work and Labor Relations in Construction aims to share understanding of best practice in the industries associated with construction and related activities recognizing that effective work organization and good standards of employee relations will vary from one location to another It acknowledges the real difficulties encountered by workers in parts of the developing world and the quest for improvement and awareness of

some of the worst hazards and current practices This book is both critical and analytical in approach and seeks to alert readers to the need for change Aimed at addressing practical issues within the construction industry from a theoretical and empirical standpoint it will be of value to those interested in the built environment employment relations and human resource management *Fair Employment Practice Cases* ,1979 With case table **The Study of Social Policy** Barbara Rodgers,2025-07-15 Originally published in 1979 this book enabled students and practising professionals who wished to deepen their understanding of their subject by using a comparative approach The book begins with a stringent treatment of methodological problems moves on to suggest how they can be tackled and sets up a conceptual and analytical framework for the four case studies and the comparative analysis arising out of them These case studies from Britain France Israel and Australia are deliberately focused on the personal social services and social work although these are necessarily set within the political economic and social context and related to other areas of social provision in each country **The Lancet** ,1891 *The British Employment Exchange* John Barton Seymour,1928 **New Society** ,1983 **An Overview of the Comprehensive Employment and Training Act and Its Implementation in New York State** New York (State). Manpower Services Council,1978 **SWT, Social Work Today** ,1985 Technical Education and Industrial Training ,1973 **Modern Social Work Theory** Malcolm Payne,2005 This third edition is substantially revised and updated It offers extended coverage of many new areas of debate including evidence based practice social construction attachment theory and cultural diversity It also incorporates a variety of innovative devices to support learning whether in the classroom the workplace or while undertaking independent study Students practitioners and lecturers alike will find this third edition a vital investment and an invaluable companion Book Jacket **Appendix** Great Britain Royal Commission on the the Working of the Elementary Education Acts, England and Wales,1888 Managers in Long-term Care Malcolm L. Johnson,Lesley Cullen,Demi Patsios,1999 The reformulation of the regulation of long term care seen in the recent White Paper and Royal Commission in the UK has led to topical debates on long term care for older people Given that there are over 500 000 people in residential nursing and dual registered homes across the country there has until now been remarkably little research on the role of managers in the long term care sector the various tasks they undertake in the day to day operation of a care home and the qualities and qualifications they bring to their work This important study investigates the range of competencies which managers of long term care homes currently do and should possess The authors look in detail at managers and management in the long term care sector policy change and the changing role of managers the future way for training Key issues and recommendations are drawn out which focus on future training and the quality assurance framework needed in a new regulatory system Crucial questions are raised as to what this will cost and who will pay Managers in long term care is important reading for social services inspection staff and purchasers providers of care social policy academics students and those involved at all levels in the process of regulation itself **Techniques of Successful Practice for Architects and**
