**The E-Myth Attorney** Michael E. Gerber, Robert Armstrong, J.D., Sanford Fisch, J.D., 2010-04-20 The complete guide to the business of running a successful legal practice. Many attorneys in small and mid-size practices are experts on the law but may not have considered their practice as much from a business perspective. Michael Gerber's *The E-Myth Attorney* fills this void giving you powerful advice on everything you need to run your practice as a successful business, allowing you to achieve your goals and grow your practice. Featuring Gerber's signature easy to understand, easy to implement style, *The E-Myth Attorney* features a complete start-up guide you can use to get your practice off the ground quickly, as well as comprehensive action steps for maximizing the performance of an existing practice. Industry-specific advice from two recognized legal experts that have developed a highly successful legal practice using Gerber's principles. Gerber's universal appeal as a recognized expert on small businesses who has coached, taught and trained over 60,000 small businesses. *The E-Myth Attorney* is the last guide you'll ever need to make the difference in building or developing your successful legal practice.

**Dental Practice Health Check** Lesley Bailey, Suzanne Mitchell, 2007 *Dental Practice Health Check* helps dental practice owners improve their business. It is concise, practical and ideal for day-to-day reference. Sound evidence-based principles are offered to assist practice owners in becoming better people managers, drive revenue and profitability through marketing and customer service, and ensure the business has robust systems and procedures to support its operation. By encouraging practice owners to step back and review their current business practices, the book examines ways of making the dental business more rewarding in the long run, maximising opportunities and supporting revenue and profitability. *Dental Practice Health Check* is highly recommended for principal dentists and dental practice managers, including those undertaking training. Associate dentists interested in purchasing or starting their own practice will find the information enlightening, as will accountants and legal firms with dental clients, as well as banks and other financial institutions.      Blackwell's
