Pearl Siân Hughes,2023-09-01 Marianne is eight years old when her mother goes missing Left behind with her baby brother and grieving father in a ramshackle house on the edge of a small village she clings to the fragmented memories of her mother s love the smell of fresh herbs the games they played and the songs and stories of her childhood As time passes Marianne struggles to adjust fixated on her mother s disappearance and the secrets she s sure her father is keeping from her Discovering a medieval poem called Pearl and trusting in its promise of consolation Marianne sets out to make a visual illustration of it a task that she returns to over and over but somehow never manages to complete Tormented by an unmarked gravestone in an abandoned chapel and the tidal pull of the river her childhood home begins to crumble as the past leads her down a path of self destruction But can art heal Marianne And will her own future as a mother help her find peace

Hens Dancing Raffaella Barker,2013-12-25 A truly funny intelligently told story that takes you deep into someone else s life Should be read for Barker s glittering prose Venetia is a disarmingly wry and engaging narrator with a keen eye for nature and the follies of urban chic Financial Times A positive hymn to provincial living it is an entertaining celebration of family life with all its highs lows and eccentricities The Times When Venetia Summers s husband runs off with his masseuse the bohemian idyll she has strived to create for her young family suddenly loses some of its rosy hue From her tumble down cottage in Norfolk she struggles to keep up with the chaos caused by her two boys her splendid baby daughter and the hordes of animals relatives and would be artists that live in her home From juggling errant cockerels jam making frenzies and Warhammers to unexpected romance Bloody Mary s and forays into fashion design Hens Dancing is like a rural Bridget Jones s Diary as it charts a year of Venetia s madcap household

Adopting the Beat of Phrase: An Psychological Symphony within **Pram Race**

In some sort of eaten by screens and the ceaseless chatter of immediate interaction, the melodic beauty and psychological symphony developed by the prepared word frequently disappear in to the back ground, eclipsed by the persistent noise and distractions that permeate our lives. However, set within the pages of **Pram Race** a wonderful literary value brimming with organic emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that interesting masterpiece conducts readers on an emotional journey, well unraveling the hidden tunes and profound impact resonating within each cautiously crafted phrase. Within the depths of this emotional assessment, we shall examine the book is main harmonies, analyze its enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
