

The book cover features a surreal, painterly illustration. A large, multi-colored sphere (red, blue, and purple) floats in a dark, starry space. A bright, white, conical beam of light emanates from the bottom of the sphere, illuminating a small, dark, rounded object on a green, grassy hill. The background is a deep black with scattered white stars and a faint purple crescent moon in the upper left corner. A horizontal maroon band across the middle contains the title text.
