**Armageddon's Glorious End** David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve

**This Side of the Whirlwind** Steven R. Harrel, 2016-04-15 Christians are being deceived Until now the Body of Christ has enjoyed less than the whole truth regarding The End Times in fact less than half Is it any wonder the current End Times doctrines are so muddled and missing volumes of prophetic information Discover why the prophets Daniel and John concealed important End Times facts Learn the significance of the Great Consummation message the second half to the Covenant of Jesus Christ Confront the final chapters which unveil the grand conclusion to Gods extraordinary plans for the greatest story ever told This Side of the Whirlwind provides evidence our world is heading for more than a single apocalypse Information within its pages will certify the Great Tribulation is neither Gods Wrath nor His plan for Christs return Uncover previously hidden biblical facts which confirm the first apocalypse will forcefully separate True Christians the Sheep from the Goats Recent revelation will also prove the Rapture cannot take place

before the tribulation period has been fulfilled thus negating any possibility a Pre tribulation Rapture event could exist All this and more will be firmly established and confirmed in This Side of the Whirlwind *Encyclopedia of Death and the Human Experience* Clifton D.
