Tales from the Time Loop David Icke,2003 Tales from the Time Loop is the most comprehensive book yet written about the global conspiracy that emerges more clearly every day David Icke has been warning for well over a decade of the plan for a world fascist state a global version of Nazi Germany in which the people will be prisoners of a Big Brother dictatorship founded on the suppression of the most fundamental freedoms and total control and surveillance Today there is a gathering awareness that he was right People are realising that Big Brother is no longer coming He s here      A Nietzschean Bestiary Christa Davis Acampora,Ralph R. Acampora,2003-11-22 Inspired by the ancient and medieval genre A Nietzschean Bestiary gathers essays treating the most vivid and lively animal images in one of the philosophic tradition s greatest bodies of work

Leading scholars treat specific animals such as the prowling beast of prey Zarathustra's laughing lions and the notorious blond beast to ingeniously reveal how these creatures play a prominent role in the development of Nietzsche's philosophy. Numerous essays explore the nature of human animality and our relations to other animals. Contributors shed new light on Nietzsche's conception of power, freedom and meaning. Research tools including discussions of Nietzsche's influence on important twentieth century philosophers and the most extensive index of animal references in Nietzsche's corpus make this an essential volume for scholars and students alike.

This is the tale of Bilqis the Queen of Sheba who rules the spice lands and bows before the will of the Goddess. This is the tale of Solomon the King of Israel and Judea who built the golden temple to Yahweh in Jerusalem. Once he prayed that he might rule wisely. This is the tale of Solomon's wives of his concubines and of his daughter Baalit more beloved than any son. Here are their voices, their mysteries and their deepest secrets. Here they sing their songs and weave their tapestries. As the queen's search for a true heir to her throne takes her to the court of the wisest man in the world, both she and the king learn how to value truth, love and duty, and the king's daughter learns that not all the world is ruled by men. *Wisdom's Daughter* is a vivid and richly textured rendition of the biblical tale of King Solomon and the Queen of Sheba. Told in a tapestry of voices that ring with authenticity, *Wisdom's Daughter* profoundly reveals the deep ties among women in a patriarchal world.
