Revelation Concordia Commentary:

Revelation - Concordia Commentary Louis Brighton, 1999-09-06 Revelation may be one of the most perplexing books of the Scriptures but despite its challenges its witness is clear Through a panoply of images the apostle John shares a sacrificial theology of the Lamb of God that generates the central theme of God's exultation in Revelation Dr Louis Brighton interprets the features of John's vision in light of similar images elsewhere in Scripture and appeals to the views of other theologians from the early church down to the present Brighton dissects Revelation as an esoteric apocalyptic and fundamentally prophetic text concerned with both the despair of sin and the exultation of the ascendant Christ and His work Brighton shows that Revelation is not about some distant future but is about the present life of the church amid the turmoil of world history It inspires Christians to be urgent and faithful in their proclamation of the Gospel no matter how fierce the opposition because of Christ's comforting promise I am coming quickly Features A Summary of the Christology of Revelation An Introduction to the missiology of Revelation Adheres to recapitulation or cyclic chronology for the narrative of Revelation Essays On the Millennium On The Lamb of God in Revelation Angelic Mediators in Jewish Tradition and the Book of Revelation About the series The Concordia Commentary Series A Theological Exposition of Sacred Scripture is written to enable pastors and teachers of the Word to proclaim the Gospel with greater insight clarity and faithfulness to the divine intent of the Biblical text The series will cover all the canonical books of the Old and New Testament with an original translation and meticulous grammatical analysis of the Hebrew Aramaic or Greek of each text The foremost interpretive lens centers on the unified proclamation of the person and work of Christ across every Scriptural book The Commentary fully affirms the divine inspiration inerrancy and authority of Scripture Each passage bears witness to the confession that God has reconciled the world to Himself through the incarnation ministry death resurrection and ascension of Christ His Son Authors expose the rich treasury of language imagery and thematic content of the Scripture while supplementing their work with additional research in archaeology history and extrabiblical literature Throughout God's Word emanates from authors careful attention and inculcates the ongoing life of the Church in Word Sacrament and daily confession *Revelation* Louis A. Brighton, 1999

Explores the last book of the Bible as the church's final witness to the exalted Christ **Der Erste und der Letzte** Ekkehardt Müller, 2011 Dieser Band versteht sich als Beitrag zur Auslegung der Johannes Apokalypse auf Grundlage einer positiven biblisch historischen Ausrichtung Dabei deutet der Autor dieses einzigartige Buch aus Sicht der Siebenten Tags Adventisten die sich der biblischen Apokalyptik und Eschatologie verpflichtet fühlen Obwohl sich das Werk mit hermeneutischen Fragen beschäftigt und versucht große Teile der Offenbarung zu interpretieren geht es doch darüber hinaus indem es nicht einfach nur Endzeit Szenarien vermittelt sondern die großen theologischen Linien der Apokalypse nachzeichnet Der Band weist vor allem auf den dreieinigen Gott hin und auf Jesus Christus den Ersten und Letzten dessen Offenbarung die Apokalypse ist *Revelation-Reader's Edition* Louis Brighton, 2009 Revelation can bring to mind terrible

visions of war disaster persecution and global destruction It challenges the reader with symbols and hidden meanings Yet the golden thread that runs through Revelation is Christ the slain and arisen Lamb with His Church in worship on earth and in heaven This commentary explores and explains the final testimony of the ascended Lord before His return in Judgment Instead of being about just a great showdown Revelation stresses how Christ gives Christians power in weakness Christ reveals to His people glorious visions of the world to come amid the present suffering He promises the ultimate defeat of Satan and eternal life with God Book jacket The Art of Exegesis Matthew E. Borrasso, 2019-02-27 Although he loomed large during his lifetime Martin Hans Franzmann has faded away in the minds of American Lutherans Memories of him typically orbit around an appreciation for his hymnody He was however more than a hymn writer To only understand or appreciate his hymns is to only understand or appreciate a part of him This book seeks to shine a light on a brilliant and gifted poet of the church by unpacking and analyzing his life and work In so doing it is hoped that he will loom large once again Franzmann's hymns have endured for a reason namely because he was singularly focused on teaching people to hear the voice of God in the text of the Scriptures **The Book of Revelation in Christological Focus** Dan Liroy, 2003 By making use of a grammatical historical form of exegesis Dan Liroy conducts a thoroughgoing textual analysis of Revelation with special attention given to the connection between its Christocentric themes and its doctrinal rationale The result is a comprehensive study that is informed by the Old Testament the New Testament and extrabiblical material Appropriate for personal study as well as a college and seminary text this book provides an insightful engaging and scholarly treatment of the Apocalypse The Eschaton Charles P. Arnold, Jr., Ph.D., 2008-10-21 Arnold brings to the Biblical study of the end times his rationalistic and scientific approach While this approach enhances it in no way changes or attempts to correct Biblical text or its meaning Arnold defines the Eschaton the end of all things in Greek as the composite of signs of the end the Lord's return the judgment and life eternal or damnation He believes the Lord's use of the word generation based on the original Greek is an interval of time an age This age of believers Jesus teaches will not pass away until all the signs of the end have taken place By the doctrine of Predestination the end can not come until the last Christian on earth is born He defines the last believers of this age as the Omega Generation As they are born their family line will cease and when the last Christian of the Omega Generation is born all family lines on earth will end With these changes will come a dramatic decrease in global population as prophesied in Scripture After reviewing what changes this will bring to the earth he discusses the signs of the times which the secular world takes as pointers to the possible end of the world He then takes us on a detailed description of the Biblical signs These signs will be highly visible during the lives of the Omega Generation Following the return of our Lord Dr Arnold describes the Judgment the New Jerusalem and the Inferno Other very unique concepts introduced by Arnold in The Eschaton include a discussion of the cleansing of the Cosmos by fire and the events that occur following our death All those who hold the Bible to be Truth will find this book to be attention grabbing exciting and a clear explanation and revelation of

that truth **God of Sense and Traditions of Non-Sense** Sigve K. Tonstad, 2016-01-19 One hundred taxis lined up on Church Street in Oslo on November 26 1942 deployed in order to round up the city's Jews and send them to Auschwitz This reality anchors God of Sense and Traditions of Non-Sense it is theology from a Holocaust perspective The brash Elihu excoriating Job for his insistence that he is owed an explanation for the calamities that have befallen him This is the book's opening salvo Job speaking of a God of sense Elihu and Job's three friends inaugurating a tradition of non-sense this is the existential and theological predicament The problem of finite suffering in this life addressed in the theological tradition with the prospect of infinite endless suffering in this book described as a key element in Traditions of Non-Sense Back to the millions of Jews among them 188 women and 42 children from Oslo deported gassed and cremated in God of Sense this is not seen as a problem that defeats belief but as the reality that demands a religious and theological account of human existence

Vessels of Wrath, Volume 2 Richard M. Blaylock, 2023-08-24 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In Vessels of Wrath Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Christian canon's witness Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity **"The Kingdom of God is at Hand"** Rolf J.
