The GAM/DP Theory of Personality and Creativity William A. Therivel, 2001. The societal effects of the long-term impact of the Division of Power (DP) or Unity of Power (UP) are discussed in this volume. The DP chapters compare the three Griselda stories. The GAM chapters specifically refer to the personality families identified in Volume I, 2001, and to the creative potential which comes from a high GxAXM of youth. The theory presented in these volumes is in two parts. The first GAM identifies and illustrates the three factors: Genetic endowment, Assistances, and Misfortunes, which contribute to personality and creativity at the individual level. The second DP, Division of Power, does the same at the societal level.
