Signers Of The Declaration Of Independence A Biographical And Genealogical Reference:

Red Shadow Zygmunt Klukowski, 1997 On July 6 1944 the Soviet army drove the German occupying forces from the small town of Szczeczeszyn in eastern Poland Sadly it soon became clear that this liberation was simply the beginning of a new occupation As the Polish people struggled against the Soviets Dr Zygmunt Klukowski superintendent of the county hospital in Szczeczeszyn was in the thick of the action meeting with partisan fighters and helping to plot and record their activities All the while he kept a meticulous secret diary of life under the Soviet occupation which for him included two prison terms for crimes against the people Many of his friends died and his own son Tadeusz was executed for antigovernment activities Dr Klukowski's diary located in 1991 after an extensive search and translated by his son George and grandson Andrew is a vivid recounting of the Polish resistance marked by tragedy triumph and the strong will of the people in the face of brutal occupation

The Signers of the Declaration of Independence Della Gray Barthelmas, 2024-10-11 None of the 56 men who signed the Declaration of Independence in 1776 could have imagined a few years earlier that they would be part of such an event All had been loyal British subjects earlier in their lives and several had held British government posts in their home colonies In 1743 Samuel Adams became one of the first to advocate for independence and he was gradually joined by others as English control became increasingly oppressive A biography and genealogical history of the 56 signers and of Secretary Charles Thomson who attended all meetings and witnessed the original broadside with John Hancock but did not actually sign it are presented in this unique reference work Each of the 57 entries open with a biography of the man focusing on his education political career and the events that led him to advocate for independence based in large part on contemporary sources This is followed by a narrative genealogical history providing names birth and death dates marriages children and other details of the signer's ancestors Photographs of the men are included

Encyclopedia of the Age of Political Revolutions and New Ideologies, 1760-1815 Gregory Fremont-Barnes, 2007-09-30 By giving rise to new ideologies that in time transformed the political structure of much of the world the American and French Revolutions stand as two of the most important political events in global history The American establishment of a Republican government and the gradual expansion of democracy that ensued altered traditional political and social thought thus shaping the later French Revolution and creating the core ethic of later American political values The Enlightenment ideals of the French Revolution as later spread by the armies of Napoleon dissolved most traditional European notions of political authority This encyclopedia offers current detailed information on the people events movements and ideas that defined the revolutions in France and America as well as in other parts of the world during the late eighteenth century Age of Revolutions Besides numerous entries on various countries of Europe whose histories were affected by the French Revolution such as Austria Belgium Germany Poland and Russia the many entries covering the people events groups and ideologies of Revolutionary and Napoleonic France include the following Civil Constitution of the Clergy Georges Jacques Danton The Directory Guillotine Josephine Empress of
