Sikhs In North America An Annotated Bibliography:

Sikhs in North America Darshan Singh Tatla, 1991-10-16 Recent conflicts in the Punjab and elsewhere have brought the Sikhs considerable attention from both scholars and the media. There has been particular interest in the cultural and social life of Sikh communities in the United States and Canada. Until now, however, materials on the subject have been either unavailable or found only in widely scattered sources. This book is the first to present a comprehensive guide to the existing literature. Providing access to published and unpublished material in both English and Panjabi, it brings together a broad spectrum of material that will be of use to both journalists and scholars. The bibliography offers annotated listings of books, official and semi-official reports, dissertations, journal and newspaper articles, and films and videos. Arranged by subject, it covers the history of migration, educational issues, politics, religion, and community life. A section of Panjabi language and literature contains entries for Sikh writers living in North America. A brief discussion of each author is included, together with a list of principal publications. This bibliography is an appropriate acquisition for collections in ethnic and minority studies and a valuable resource for those with a special interest in the North American Sikh community. **Sikhs in North America** Darshan Singh Tatla, 1988 **The Sikh Diaspora** Darshan Singh Tatla, 2005-08-08 This book offers an overview of the Sikh diaspora, exploring the relationship between home and host states and between migrant and indigenous communities. The book considers the implications of history and politics of the Sikh diaspora for nationality, citizenship, and sovereignty. The text should serve as a supplementary text for undergraduates and postgraduates on courses in race, ethnicity, and international migration, within sociology, politics, international relations, Asian history, and human geography. In particular, it should serve as a core text for Sikh Punjab courses within Asian studies. ***25 Events That Shaped Asian American History*** Lan Dong, 2019-03-22 This book provides detailed and engaging narratives about 25 pivotal events in Asian American history, celebrates Asian Americans' contributions to U.S. history, and examines the ways their experiences have shaped American culture. Asian Americans have made significant contributions to American history, society, and culture. This book presents key events in the Asian American experience through 25 well-developed, accessible essays, detailed timelines, biographies of notable figures, excerpts of primary source documents, and sidebars and images that provide narrative and visual information on high-interest topics. Arranged chronologically, the 25 essays showcase the ways in which Asian Americans have contributed to U.S. history and culture and bear witness to their struggles, activism, and accomplishments. The book offers a unique look at the Asian American experience from the California Gold Rush in the mid-nineteenth century to the 2017 travel ban. Highlighting events with national and international significance, such as the Central Pacific Railroad Construction, Korean War, and 9/11, it documents the Asian American experience and demonstrates Asian Americans' impact on American life. **A Nation of Peoples** Elliott Robert Barkan, 1999-05-30 The debate over America's multiculturalism has been intense for nearly three decades, dividing opponents into those insisting on such recognition and those fearing that such a formal

acknowledgment will undermine the civic bonds created by a heterogeneous nation. Facts have often been the victim in this dispute and few works have successfully attempted to present the broad spectrum of America's ethnic groups in a format that is readable, current, and authoritative. The chapters in this reference book demonstrate that America has been far more than a nation of immigrants; it has been a nation of peoples of virtually all races, religions, and nationalities inclusive of indigenous natives and peoples long present as well as myriad immigrant and refugee groups. Not all groups have equally found America to be a land of opportunity and the successes of some groups have come at the expense of others. To understand the American experience, the reader must not just study the story of immigrants living on the East Coast but also the history of those living in the South, Southwest, West, and even Alaska and Hawaii. As a reference book, this volume provides thorough coverage of more than two dozen racial, ethnic, and religious groups in the United States. Each chapter is written by an expert contributor and overviews the experiences of one group or a cluster of related groups. The chapters are arranged alphabetically and cover groups such as African Americans, American Indians, Filipinos, Hawaiians, Mexicans, Mormons, and Puerto Ricans. To the extent possible, each chapter discusses the initial arrival of the group in America, the adaptation of the first generation of immigrants, the economic, political, and cultural integration of the group, and the status of the group in contemporary American society. Each chapter closes with a bibliographical essay, and the volume concludes with a review of the most important general works on America's multicultural heritage.

Encyclopedia of Diasporas Melvin Ember, Carol R. Ember, Ian Skoggard, 2004-11-30

Immigration is a topic that is as important among anthropologists as it is the general public. Almost every culture has experienced adaptation and assimilation when immigrating to a new country, and culture usually leaving for what is perceived as a better life. Not only does this diaspora change the country of adoption but also the country of origin. Many large nations in the world have absorbed and continue to absorb large numbers of immigrants. The foreseeable future will see a continuation of large-scale immigration as many countries experience civil war and secessionist pressures. Currently, there is no reference work that describes the impact upon the immigrants and the immigrant societies relevant to the world's cultures and provides an overview of important topics in the world's diasporas. The encyclopedia consists of two volumes covering three main sections. *Diaspora Overviews* covers over 20 ethnic groups that have experienced voluntary or forced immigration. These essays discuss the history behind the social, economic, and political reasons for leaving the original countries and the cultures in the new places. *Topics* discusses the impact and assimilation that the immigrant cultures experience in their adopted cultures, including the arts they bring, the struggles they face, and some of the cities that are in the forefront of receiving immigrant cultures. *Diaspora Communities* include over 60 portraits of specific diaspora communities. Each portrait follows a standard outline to facilitate comparisons. The *Encyclopedia of Diasporas* can be used both to gain a general understanding of immigration and immigrants and to find out about particular cultures, topics, and communities. It will prove of great value to researchers and students, curriculum developers, teachers, and

government officials It brings together the disciplines of anthropology social studies political studies international studies and immigrant and immigration studies **Sikhism** Nikky-Guninder Kaur Singh,2011-02-22 Almost from the moment some five centuries ago that their religion was founded in the Punjab by Guru Nanak Sikhs have enjoyed a distinctive identity This sense of difference forged during Sikhism's fierce struggles with the Mughal Empire is still symbolised by the Five Ks panj kakar in Punjabi those articles of faith to which all baptised Sikhs subscribe uncut hair bound in a turban comb special undergarment iron bracelet and dagger or kirpan the unique marks of the Sikh military fraternity the word Sikh means disciple in Punjabi Yet for all its ongoing attachment to the religious symbols that have helped set it apart from neighbouring faiths in South Asia Sikhism amounts to far more than just signs or externals Now the world's fifth largest religion with a significant diaspora especially in Britain and North America this remarkable monotheistic tradition commands the allegiance of 25 million people and is a global phenomenon In her balanced appraisal Nikky Guninder Kaur Singh reviews the history theology and worship of a community poised between reconciling its hereditary creeds and certainties with the fast paced pressures of modernity She outlines and explains the core Sikh beliefs and explores the writings and teachings of the Ten Sikh Gurus in Sikhism's Holy Scriptures the Sri Guru Granth Sahib more usually called just the Granth Further chapters explore Sikh ethics art and architecture and matters of gender and the place of women in the tradition The book attractively combines the warm empathy of a Sikh with the objective insights and acute perspectives of a prominent scholar of religion

Sikh Art and Literature Kerry Brown,2002-09-11 Sikh Art and Literature traverses the 500 year history of a religion that dawned with the modern age in a land that was a thoroughfare of invading armies ideas and religions and arts of the East and West Essays by art curators historians and collectors and religion and literary scholars are illustrated with some of the earliest and finest Sikh paintings Sikh modernism and mysticism is explored in essays on the holy Guru Granth Sahib the translations and writings of the British Raj convert M A Macauliffe the fathers of modern Punjabi literature Bhai Vir Singh and Puran Singh and the 20th century fiction writers Bhai Mohan Vaid Singh and Khushwant Singh Excerpts from journals of visitors to the court of the diminutive and new translations of early twentieth century poetry add depth and originality to this beautiful and accessible introduction to the art literature beliefs and history of the Sikhs Illustrated throughout with 42 colour and 92 black and white images Sikh Art and Literature is a colourful heartfelt and informative introduction to the Sikh culture **Canadian Sikhs** Narindar Singh,Canadian Sikhs' Studies Institute,1994 *The Transmission of Sikh Heritage in the Diaspora* Pashaura Singh,Norman Gerald Barrier,1996 Contributed seminar papers International Journal of Punjab Studies ,2000 *The Sikhs* Owen Cole,1998-01-01 This fully revised and up to date edition has taken into account the comments of many academics All major aspects of the religion are covered its history and development the Sikh scriptures worship ceremonies and festivals religious thought daily life and ethics Encyclopedia of Religion in America Charles H. Lippy,Peter W. Williams,2010 Explores the origins development influence and interrelations of the many faiths practiced in

North America including major world religions and emerging sects cults and movements Ethnic Forum ,1995

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sikhs In North America An Annotated Bibliography full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sikhs In North America An Annotated Bibliography eBooks, including some popular titles.

FAQs About Sikhs In North America An Annotated Bibliography Books

What is a Sikhs In North America An Annotated Bibliography PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sikhs In North America An Annotated Bibliography PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sikhs In North America An Annotated Bibliography PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sikhs In North America An Annotated Bibliography PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sikhs In North America An Annotated Bibliography PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
