Cultivating Gardens of God Ananta Kumar Giri,2024-11-12 In self society religion and politics we are used to the language and discourse of Kingdom of God But in this God is presented as an omnipotent king who is also angry at slight deviation We get glimpses of such powerful and angry God in Old Testament as well as in many other religious traditions of the world In such a discourse and portrayal of God we fail to realize that God is mercy rahim karuna and compassion God is our ever awakened nurturer and He and She is continuously walking and meditating with us with mercy as well as firm challenges for self development mutual realizations and responsible cosmic engagement and participation The vision and discourse of Kingdom of God has many a time been confined within a logic of power where we are prone to valorize God s power in order to valorize our own power on Earth especially the logic of sovereignty at the level of self and society rather than realize God s mercy This book strives to transform this to Gardens of God

Each person is an enigma You're a puzzle not only to yourself but also to everyone else and the great mystery of our time is how we penetrate this puzzle We are social animals and unless we engage God we can never resolve and understand the truth that lies at the bottom of an enigma of interdependence relationship A legendary poet wrote People are fascinating They're so unique and I think what's more fascinating is the reason behind the physical characteristic the enigma that's where the gold dust is Life is never a mystery and a harmful enigma unless we try to interpret it from our human brand or perspective as though it had no underlying truth The reality is that every person believes in something be it true or false Our beliefs modify our behavior I have put together this journal for you with epic passion projecting the phenomenal person that God intended you to be Wrong perception of life issues makes man a wrong person It is my prayer that by reading this book you will be enlightened and inspired to solve the puzzle of life from the perspective of the Creator of life Certainly the most important thing that God can give to us is the truth about life God created us to live passionately but not passively That is why he instructed us to love him with all our hearts and to love our neighbors as we love our selves The Seven Last Things David J.
