Reinterpreting Russia:

Reinterpreting Russia's Strategic Culture Nicolò Fasola, 2024-07-05 This book analyses the categories of thought underpinning Russia's strategic decision making and military operations unpacking their nature development and interaction The work argues that mainstream Western analysis of Russian military and strategic behaviour is affected by two limitations first by forcing Russian choices into pre packaged logics of action it fails to grasp the peculiar assumptions and intellectual nuances underpinning Moscow's strategies second an overreliance on buzzwords such as hybridity has mystified understanding of the Russian military modus operandi its true character and strong consistencies The book addresses such limitations by stressing the influence of strategic culture on Russia's approach to strategy and war fighting After proposing an original model of strategic culture it employs this conceptual framework to interrogate Russian primary sources and military practices between 2008 and 2018 This allows general hypotheses to be formulated about the ultimate principles underpinning the Russian way of war which are then tested against three case studies Russia's interventions in Georgia 2008 Ukraine 2014 2015 and Syria 2015 2018 respectively While steering clear of making forecasts this book provides a solid basis on which to build expectations about and to chart strategies for counter acting Moscow's actions including in the context of the current war in Ukraine This book will be of much interest to students of Russian security military and strategic studies foreign policy and International Relations in general

Reinterpreting Russia Steve D. Boilard, 1997-03-27 Attempts to advance the understanding of Russia by listing categorizing and describing some 600 recent books concerning Russia the Soviet Union and the post Soviet Russian Federation All books included were published between 1991 and 1996 inclusive

Reinterpreting Russia Geoffrey A. Hosking, Robert Service, 1999 Russian history is ready to be reinterpreted This book puts Russia into a fresh historical perspective and enables the reader to consider the weight of the past resting on current attempts to fashion a different Russian future The linking theme here is the balance of continuity and discontinuity in the history of the country across several centuries

valuable background information to contextualise the period of study Supporting students in developing their critical thinking research and written communication skills it also encourages them to make links between different time periods topics and historical themes

Dilemmas of Russian Capitalism Thomas C. Owen, 2005-02-28 Fedor Chizhov built the first railroad owned entirely by Russian stockholders created Moscow's first bank and mutual credit society and launched the first profitable steamship line based in Archangel In this valuable book Thomas Owen vividly illuminates the life and world of this seminal figure in early Russian capitalism Chizhov condemned European capitalism as detrimental to the ideal of community and the well being of workers and peasants In his strategy of economic nationalism Chizhov sought to motivate merchants to undertake new forms of corporate enterprise without undermining ethnic Russian culture He faced numerous obstacles from the lack of domestic investment capital to the shortage of enlightened entrepreneurial talent But he reserved his harshest criticism for the tsarist ministers whose incompetence and prejudice against private entrepreneurship proved his greatest hindrance Richly documented from Chizhov's detailed diary this work offers an insightful exploration of the institutional impediments to capitalism and the rule of law that plagued the tsarist empire and continue to bedevil post Soviet Russia

Markets and Moralities Caroline Humphrey, Ruth Mandel, 2020-08-05 Before the collapse of the Eastern Bloc private marketeering was regarded not only as criminal but even immoral by socialist regimes Ten years after taking on board western market orientated shock therapy post socialist societies are still struggling to come to terms with the clash between these deeply engrained moralities and the daily pressures to sell and consume This book explores the new market and its resulting contradictions in a rapidly developing Eastern Europe and Russia Will Western fast food industries irrevocably alter local culinary practices What effect has the privatization of land had upon ownership and exchange What role do new commodities play within the household Based on original first hand ethnography this book is a long awaited addition to existing literature on post socialist societies It will be essential reading for students of anthropology sociology European and cultural studies as well as professional groups working in Eastern Europe and Russia including NGOs development organizations and businesses

Reinterpreting Russian History Daniel H. Kaiser, Gary Marker, 1994 This collection includes primary and secondary material much of which has never before been published in English Supplemented by over 70 illustrations selections are introduced by placing them in the context of the work's major themes state structure the economy society and culture and everyday life From the multi ethnic peopling of early Russia to the elite society of the nineteenth century original sources illuminate such topics as state building government and politics the peasantry and the countryside clergy and religious communities and women and gender From publisher's description

A History of Russia: To 1917 Walter Moss, 2002
