Christianity and Other Faiths in Britain Alastair G. Hunter, 1985

Christianity and the Wider Ecumenism Peter C. Phan, 1990 How has Christian tradition developed its understanding of the problem of salvation for non Christians How do the Christian churches appraise the spiritual values of those other religions whose members collectively make up the majority of mankind Christianity and the Wider Ecumenism explores the growing shift from efforts toward unity within Christianity to broader more far reaching attempts at greater harmony among world religions the wider ecumenism Editor Peter Phan traces the trend back to the Second Vatican Council 1962 65 but notes that in the last ten years or so the movement has become pronounced in addition to Vatican II the World Council of Churches has established a Dialogue with People of Living Faiths and ideologies Also the growing number of courses on campus in comparative religions testifies to the critical importance of interfaith studies and dialogue in our religiously plural world Despite resistance by some Christians to this new trend there is a willingness on the part of others to support the wider ecumenism even to abandon any claim to Christ s Christianity s uniqueness definitiveness absoluteness and superiority They rightly point to the need for faith in God as Absolute Mystery to Christian praxis in favor of justice and freedom and to the enormous historical suffering and conflicts caused by the myth of Christian uniqueness They add that we live today in a world village in which dialogue with other religionists and societies as full equals is imperative perhaps for our very survival Not mere contact but active cooperation and mutual understanding is required now more than ever to deal with urgent global issues involving mass poverty and

starvation religious fanaticism the threat to the environment and the omnipresent danger of nuclear destruction These problems are far too important to be left to governments The essays in this volume are the Product of fifty leading scholars from across the Christian spectrum seeking to clarify and to affirm the immense significance of interreligious dialogue for Christianity in our new planetary society *The Bloomsbury Handbook to Studying Christians* George D.

Chryssides, Stephen E. Gregg, 2019-11-14 Drawing on a range of methodologies editors George D Chryssides and Stephen E Gregg shift attention from normative textual and doctrinal matters to issues of materiality and everyday life in Christianity This handbook is structured in four parts which include coverage of the following aspects of Christianity sacred space and objects cyber Christianity food prayer education family life fundamentalism and sexuality In addition issues of gender race and ethnicity are treated throughout The international team of contributors provide in depth analysis that highlight the current state of academic study in the field and explores areas in which future research might develop Clearly organised to help users quickly locate key information and analysis the book includes an A to Z of key terms extensive guides to further resources a comprehensive bibliography and a chronology of landmark events making it a unique resource to upper level students and researchers *Christian Jewish Relations*, 1986 **A Second Call** Israyël Celvanāyakam, 2000 *The Canterbury Papers* Dan Cohn-Sherbok, 1990 Collection of essays describes the interaction of modern religion with the present day world Focuses on subjects such as religion and the media Marxism and liberal theology the Church and social problems Christianity and religious pluralism liberation theology the concept of Utopia in the 20th century the new cults Christianity under Communist rule the concept of sanctuary and theological reactions to the Holocaust **Christians and Muslims** Peter G. Riddell, 2004 This survey explores the diverse Muslim approaches to British society and identifies the evolving approaches to other faiths found within the churches Securely underpinned with Christian theology it examines the many areas in which Christians and Muslims living within secular societies share common concerns and identifies where religion ends and culture begins Most significantly it explores how and why Christian Muslim relationships can and urgently must be improved BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Muslim-Christian Relations Ovey Nelson Mohammed, 1999 Muslim Christian Relations introduces Christians to Islam looks at the political cultural and economic obstacles to these relations examines the theological issues and suggests a way forward in interfaith dialogue that is faithful to the Bible and the Qur'an Mohammed begins by examining Muhammad the man and his message investigating whether Sunnis and Shi'ites have their parallel in Catholics and Protestants and comparing Muslim and Christian spiritual practices **Religions in Conversation** Michael Barnes, 1989 The British National Bibliography Arthur James Wells, 2006 **Identity Issues and World Religions** International Association for the History of Religions.
