The Movies That Changed Us Nick Clooney, 2010-05-11 Nick Clooney one of America's most respected film critics and historians presents a distinctive catalog of movies that have influenced and altered not only the world of cinema but also the world in which we live. Since the advent of moving pictures there have been films that exist as more than just entertainment. These rare movies have touched the collective soul of the public with such passion and artistic skill that they have actually changed the way we view life history and ourselves. Some have transformed the way movies are made and viewed and some have actually transformed us. In *The Movies That Changed Us* Clooney explores, explains, and theorizes upon twenty films reaching from 1998 back to 1915 that forever shifted our perceptions about race, religion, sex, politics, and the very definition of humanity. From the ambitiously epic though manifestly racist *Birth of a Nation* to the controversial violence of *Taxi Driver* to the mythic idealism and visual cornucopia of 2001 *A Space Odyssey* and *Star Wars*, Clooney relates the stories behind the camera in an informative, engaging, and personal chronicle of cinema and society. **This Was Hollywood** Carla

Valderrama, 2020-11-17 In this one of a kind Hollywood history, the creator of Instagram's celebrated *ThisWasHollywood* reveals the forgotten past of the film world in a dazzling visual package modeled on the classic fan magazines of yesteryear. From former screen legends who have faded into obscurity to new revelations about the biggest movie stars, Valderrama unearths the most fascinating little-known tales from the birth of Hollywood through its Golden Age. The shocking fate of the world's first movie star, Clark Gable's secret love child, the film that nearly ended Paul Newman's career, a former child star who at ninety-three reveals her #MeToo story for the first time. Valderrama unfolds these stories and many more in a volume that is by turns riveting, maddening, hilarious, and shocking. Drawing on new interviews, archival research, and an exhaustive library of photographs, *This Was Hollywood* is a compelling and visually stunning catalogue of the lost history of the movies.
