**A Moral Enterprise** Kenneth L. Grasso,Robert P. Hunt,2002 Francis P Canavan has been described by Gerard V Bradley as one of the great political theorists of the past thirty years and Robert P George has hailed him as our most incisive and trenchant critic of liberal judicial activism In this collection of essays by colleagues admirers and former students of Father Canavan the intellectual and moral foundations of democratic government are explored especially in light of Canavan s Burke scholarship his contributions to Catholic social thought his critique of the liberal intellectual tradition and his analysis of the problems that confront a pluralistic society such as ours      [The Pluralist Game](#) Francis Canavan,1995-11-08 The pluralist game the way in which we attempt to resolve the problems arising out of our pluralism through the political and judicial processes necessarily engages the citizens of our society This book brings together 14 essays from a leading Catholic political theorist to address the central issue of American theological political and social thought the relationship between religion morals law and public policy in a pluralistic liberal society      *First Things* ,1991      **The National Review**

**Politically Incorrect Reference Guide** Frederick W. Campano,1993      [Modern Age](#) ,2006      **The Second Spring of the Church in America** George Anthony Kelly,2001 Monsignor George Kelly one of the great churchmen of our time turns a keen but loving eye on the contemporary Church in this magnificent new book On several notable occasions in the past Monsignor Kelly has set before his readers the status quo of Roman Catholicism in the United States But in this new book he combines as never before an unclouded vision of unfortunate aspects of the contemporary Church with a robust optimism concerning what lies ahead He rivals John Paul II in his uncanny ability to go to the heart of the matter and put his finger on

where things have gone wrong and are still going wrong In *Second Spring of the Church in America* his negative diagnosis and positive prognosis center on the role of the bishops Readers will find here surprising revelations of just how bad it is in many areas of Catholicism in this country But Kelly is not interested in amassing a catalog of errors for its own sake His kindly pastoral eye is ever on the ready for a remedy The still imperfect renewal called for by Vatican II is a task for all but in a special way the bishops must step forward individually and collectively to acknowledge what has gone wrong and to lead the Church into the third millennium Perhaps no other living Catholic could have written this magnificent book combining cold critique with warm hearted confidence in what lies ahead for the Church in America     **Forthcoming Books** Rose Army,1993     *Voices of the New Springtime* Fellowship of Catholic Scholars. Convention,2004 What is the future of the Catholic Church in America This book provides a very informed answer to this question by collecting the various addresses delivered at the 25th annual convention of the Fellowship of Catholic Scholars on the subject of the new springtime of the Catholic faith so tirelessly preached by Pope John Paul II The conference was keyed by Avery Cardinal Dulles S J who at this point in his life is surely the dean of contemporary American Catholic theologians His considered view of the Church's future the springtime is ably supplemented by contributions from such veteran scholars as Elizabeth Fox Genovese of Emory University and Robert P George of Princeton writing on the subject of women in the Church and religious liberty respectively Younger figures such as Pia De Solenni of the Family Research Council and National Review's Kathryn Jean Lopez add different perspectives on women again and on how the Church is impacted by the modern media Among other speakers is the president of the Catholic University of America dealing with Catholic higher education as it is encountered today The book thus features an up to date take on where the Catholic Church is headed today provided by very knowledgeable observers
