Pioneer Efforts In Rural Social Welfare Firsthand Views Since 1908:

Pioneer Efforts in Rural Social Welfare Emilia E. Martinez-Brawley,1980 Rural social work Richard Pugh,Brian Cheers,2010-02-10 In much of the West the concerns of rural people are marginalised and rural issues neglected This stimulating book draws upon a rich variety of material to show why rural social work is such a challenging field of practice It incorporates research from different disciplines and places to provide an accessible and comprehensive introduction to rural practice The first part of the book focuses upon the experience of rurality The second part of the book turns to the development of rural practice reviewing different ways of working from casework through to community development This book is relevant to planners managers and practitioners not only in social work but also in other welfare services such as health and youth work who are likely to face similar challenges A Contest of Faiths Susan Mitchell Yohn,1995 Susan M Yohn here reconstructs the interactions between Presbyterian women missionaries in the southwest and the native Hispanic Catholic people they set out to Americanize between 1867 and 1924 In the process she reveals how many Protestant women reformers shared a series of experiences that contributed to a national dialogue about cultural pluralism Social Work with Rural Peoples (Third Edition) Ken Collier,2006-07-20 The gist of Collier s genuinely radical book is that for the rural social worker to be effective she must be able to identify with the struggles of the people she is trying to help that trying to maintain professional objective distance will merely ensure that the social worker becomes part of the problem rather than part of the solution For the social worker in a smaller community Whose side are you on is the most important question to be answered before any effective work can be done It is an indictment of the slow pace of progress against the societal problems facing rural populations that a third edition of Social Work With Rural Peoples is necessary Rural Social Welfare Dennis L.
