Pioneer Vigilante The Legend Of John Die:

Heg Steve Fortney,1998-04 Steven Fortney s novel inspired by the life and battlefield death of Hans Christian Heg is the embodiment of the immigration experience in the 19th century Wisconsin Heg was from modest Norwegian origins came as a child to the frontier in te 1830 s and embrace the spirit of the times **Leelanau** Ken Scott,Jerry Dennis,2000

Forthcoming Books Rose Army,1998-04 **Vigilantes and Boosters** Glen Gendzel,1998 **The Legend of John Dietz** Gunnard Landers,1998 A fascinating dramatization of the struggle between a tough and arrogant loner and the number of barons of Wisconsin the story of John Dietz however goes beyond the boundaries of Wisconsin it offers a strong new example for evaluating the frontier code of rugged individualism **Race and the Wild West** Laura J. Arata,2020-07-02 Winner of the Western Writers of America SPUR Award and the Western Association of Women Historians Gita Chaudhuri Prize Born a slave in eastern Tennessee Sarah Blair Bickford 1852 1931 made her way while still a teenager to Montana Territory where she settled in the mining boomtown of Virginia City **Race and the Wild West** is the first full length biography of this remarkable woman whose life story affords new insight into race and belonging in the American West around the turn of the twentieth century For many years Sarah Bickford s known biography fit into a single paragraph By examining her life in all its complexity Arata fills in what were long believed to be unrecoverable silent spaces in her story Before establishing herself as a successful business owner we learn she was twice married both times to white men Her first husband an Irish immigrant physically abused her until she divorced him in 1881 Their three children all died before the age of ten In 1883 she married Stephen Bickford and gave birth to four more children Upon his death she inherited his shares of the Virginia City Water Company acquiring sole ownership in 1917 For the final decade of her life Bickford actively preserved and promoted a historic Virginia City building best known as the site of the brutal lynching in 1864 of five men Her conspicuous role in developing an early form of heritage tourism challenges long standing narratives that place white men at the center of the Wild West myth and its promotion Bickford s story offers a window into the dynamics of race in the rural West Although her experiences defy easy categorization what is clear is that her navigation of social norms and racial barriers did not hinge on exceptionalism or tokenism Instead she built a life that deserves to be understood on its own terms Through exhaustive research and nuanced analysis Laura J Arata advances our understanding of a woman whose life embodied the contradictory intersections of hope and disappointment that characterized life in the early twentieth century American West for brave pioneers of many races *Merchant Vessels of the United States* ,1976 Vigilantes Kevin Grant,2020-01-03 For many people the cinematic vigilante has been shaped by Charles Bronson s character in *Death Wish* and its sequels But screen vigilantes have taken many guises from Old West lynch mobs and rogue police officers to rape avengers and military trained equalizers This book recounts the varied representations of such characters in films like *The Birth of a Nation* which celebrated the violence of the Ku Klux Klan and *Taxi Driver* *Falling Down* and *You Were Never Really Here* in which the

vigilante impulse was symptomatic of mental instability Also considered is the extent to which fictional vigilantism functions as social commentary and to what degree it is simply stoking popular fears *Assault on the Deadwood Stage* Robert K. DeArment,2012-09-10 In the 1870s Deadwood was a thriving and largely lawless boomtown And as any fan of western history and films knows stagecoach robberies were a regular feature of life in this fabled region of Dakota Territory Now for the first time Robert K DeArment tells the story of the good guys and bad guys behind these violent crimes the road agents who wreaked havoc on Deadwood s roadways and the shotgun messengers who battled to protect stagecoach passengers and their valuable cargo DeArment shows in dramatic detail how for two years gangs of robbers ruled the road perpetrating holdups and killings until lawmen and stage company and railroad agents finally brought an end to the mayhem The characters populating this violent tale include such legendary figures as Wild Bill Hickok and the famous railroad detective James L Whispering Smith a formidable opponent of bandits We also get to know the men who operated the stages the lawmen and company men who ran and defended the coaches and the outlaws who fought against them DeArment tells where these men came from and what became of them after the outlawry ended He ends his account in the 1880s with Buffalo Bill s Wild West show and its spectacular rendition of a shotgun robbery featuring an actual Deadwood stagecoach After nearly a century and a half the Deadwood stage continues to command our attention **Merchant Vessels of the United States** United States. Coast Guard,1976 *Black Hills* Samuel Goodale Price,1935 *Wild Bill Hickok* Joseph G. Rosa,1996 Eulogised and ostracised James Butler Hickok was alternately labelled courageous affable and self confident cowardly cold blooded and drunken a fine specimen of manhood an overdressed dandy with perfumed hair an unequalled marksman and a poor shot Born in Illinois in 1837 he was shot dead in Deadwood only 39 years later By then both famous and infamous he was widely known as Wild Bill **The World Book Encyclopedia** ,1987 An encyclopedia designed especially to meet the needs of elementary junior high and senior high school students *Gold Rushes and Mining Camps of the Early American West* Vardis Fisher,Opal Laurel Holmes,Opal Laurel Fisher,1968 Distributed by the University of Nebraska Press for Caxton Press Vardis Fisher and Opal Laurel Holmes bring together the stories of all of the remarkable men and women and all of the violent contrasts that made up one of the most entrhalling chapters in American history Fisher a respected scholar and versatile creative writer devoted three years to the writing of this book Riot, Rout, and Tumult Roger Lane,John J.
