Pioneer America Journal Of Historic Amer:

American Architectural History Keith Eggner,2004-07-31 This major new text presents a collection of recent writings on architecture and urbanism in the United States with topics ranging from colonial to contemporary times In terms of content and scope there is no collection in or out of print directly comparable to this one The essays are drawn from the past twenty years of publishing in the field arranged chronologically from colonial to contemporary and accessible in thematic groupings contextualized and introduced by Keith Eggner Drawing together 24 illustrated essays by major and emerging scholars in the field American Architectural History is a valuable resource for students of the history of American art architecture urbanism and material culture **A History of American Magazines, Volume II: 1850-1865** Frank Luther Mott,1938

The first volume of this work covering the period from 1741 1850 was issued in 1931 by another publisher and is reissued now without change under our imprint The second volume covers the period from 1850 to 1865 the third volume the period from 1865 to 1885 For each chronological period Mr Mott has provided a running history which notes the occurrence of the chief general magazines and the developments in the field of class periodicals as well as publishing conditions during that period the development of circulations advertising payments to contributors reader attitudes changing formats styles and processes of illustration and the like Then in a supplement to that running history he offers historical sketches of the chief magazines which flourished in the period These sketches extend far beyond the chronological limitations of the period The second and third volumes present altogether separate sketches of seventy six magazines including The North American Review The Youth s Companion The Liberator The Independent Harper s Monthly Leslie s Weekly Harper s Weekly The Atlantic Monthly St Nicholas and Puck The whole is an unusual mirror of American civilization Voices of Historical and Contemporary Black American Pioneers Vernon L. Farmer,Evelyn Shepherd-Wynn,2012-05-15

The stories of black American professionals both historic and contemporary reveal the hardships and triumphs they faced in overcoming racism to succeed in their chosen fields This extraordinary four volume work is the first of its kind a comprehensive exploration of the obstacles black men and women both historic and contemporary have faced and overcome to succeed in professional positions Voices of Historical and Contemporary Black American Pioneers includes the life and career histories of black American pioneers past and present who have achieved extraordinary success in fields as varied as aviation and astronautics education social sciences the humanities the fine and performing arts law and government and medicine and science The set covers well known figures but is also an invaluable source of information on lesser known individuals whose accomplishments are no less admirable Arranged by career category each section of the work begins with a biographical narrative of early black pioneers in the field followed by original interviews conducted by the editors or autobiographical narratives written by the subjects In all more than 150 scholars and professionals share inspiring insights into how they persevered to overcome racism and succeed in an often hostile world **African-American Pioneers in Anthropology** Ira E. Harrison,Faye V. Harrison,Faye

Venetia Harrison,1999 This pathbreaking collection of intellectual biographies is the first to probe the careers of thirteen early African American anthropologists detailing both their achievements and their struggle with the latent and sometimes blatant racism of the times Invaluable to historians of anthropology this collection will also be useful to readers interested in African American studies and biography The lives and work of Caroline Bond Day Zora Neale Hurston Louis Eugene King Laurence Foster W Montague Cobb Katherine Dunham Ellen Irene Diggs Allison Davis St Clair Drake Arthur Huff Fauset William S Willis Jr Hubert Barnes Ross Elliot Skinner *Portraits of Pioneers in Psychology* Donald A. Dewsbury,Ludy T. Benjamin, Jr.,Michael Wertheimer,2014-06-03 This sixth book in the Portraits of Pioneers in Psychology Series preserves the diversity that has characterized earlier volumes as it brings to life psychologists who have made substantial contributions to the field of the history of psychology These chapters illustrate the pioneering endeavors of such significant figures and are written in a lively engaging style by authors who themselves have achieved a reputation as excellent scholars in the history of psychology Several of the chapters are based on the author s personal acquaintance with a pioneer and new previously unavailable information about these luminaries is presented in this volume Each of these volumes provides glimpses into the personal and scholarly lives of 20 giants in the history of psychology Prominent scholars provide chapters on a pioneer who made important contributions in their own area of expertise A special section in each volume provides portraits of the editors and authors containing interesting information about the relationship between the pioneers and the psychologists who describe them Utilizing an informal personal sometimes humorous style of writing the books will appeal to students and instructors interested in the history of psychology Each of the six volumes in this series contains different profiles thereby bringing more than 120 of the pioneers in psychology more vividly to life
