Pioneer Family Michel Oesterreicher,1996-01-30 Early one morning in 1925 Hugie fell in love with a tall brown eyed girl as he passed her place on a cattle drive He courted this girl Oleta Brown with no success at first but finally they were married in 1927 Their daughter retells their story from vivid accounts they gave of their childhood courtship early years of marriage and struggles during the Great Depression **The Jim Crow Encyclopedia** Nikki Brown,Barry M.

Stentiford,2008-09-30 Jim Crow refers to a set of laws in many states predominantly in the South after the end of Reconstruction in 1877 that severely restricted the rights and privileges of African Americans As a caste system of enormous social and economic magnitude the institutionalization of Jim Crow was the most significant element in African American life until the 1960s Civil Rights Movement led to its dismantling Racial segregation as well as responses to it and resistance against it dominated the African American consciousness and continued to oppress African Americans and other minorities while engendering some of the most important African American contributions to society This major encyclopedia is the first devoted to the Jim Crow era The era is encapsulated through more than 275 essay entries on such areas as law media business politics employment religion education people events culture the arts protest the military class housing sports and violence as well as through accompanying key primary documents excerpted as side bars This set will serve as an invaluable definitive resource for student research and general knowledge The authoritative entries are written by a host of historians with expertise in the Jim Crow era The quality content comes in an easy to access format Readers can quickly find topics of interest with alphabetical and topical lists of entries in the frontmatter along with cross references to related entries per entry Further reading is provided per entry Dynamic sidebars throughout give added insight into the topics A chronology selected bibliography and photos round out the coverage Sample entries include Advertising Affirmative Action Armed Forces Black Cabinet Blues Brooklyn Dodgers Bolling v Sharpe Confederate Flag Congress of Racial Equality CORE Detroit Race Riot 1943 Ralph Ellison Eyes on the Prize G I Bill Healthcare Homosexuality Intelligence Testing Japanese Internment Liberia Minstrelsy Nadir of the Negro Poll Taxes Rhythm and Blues Rural Segregation Sharecropping Sundown Towns Booker T Washington Works Project Administration World War II *World's Finest Beach* Donald J. Stentiford,2014-10-28 This one volume reference work examines a broad range of topics related to the establishment maintenance and eventual dismantling of the discriminatory system known as Jim Crow Many Americans imagine that African Americans struggle to achieve equal rights has advanced in a linear fashion from the end of slavery until the present In reality for more than six decades African Americans had their civil rights and basic human rights systematically denied in much of the nation Jim Crow A Historical Encyclopedia of the American Mosaic sheds new light on how the systematic denigration of African Americans after slavery known collectively as Jim Crow was established maintained and eventually dismantled Written in a manner appropriate for high school and junior high students as well as undergraduate readers this book examines the period of Jim Crow after slavery that is often overlooked in American history curricula An introductory essay frames the work and explains the significance and scope of this regrettable period in American history Written by experts in their fields the accessible entries will enable readers to understand the long hard road before the inception of the Civil Rights Movement in the 20th century while also gaining a better understanding of the experiences of minorities in the United States African Americans in particular     The Handybook for Genealogists George B. distinctly American expression of Protestant theology Informed by Spivey s vision his own early educational experience and his architectural philosophy Wright conceived the Child of the Sun complex Much like Thomas Jefferson s famous plan for the University of Virginia the academic village that Wright designed for Florida Southern College expresses a dramatic and personal statement about education in a democratic society Little studied to date this significant campus and its history are finally given the attention they deserve in this fascinating volume      **America, History and Life** ,2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada      **The News-letter of the Society for the Study of Southern Literature** Society for the Study of Southern Literature,1995      English Westerners' Tally Sheet ,1997
