Kinnison, 2022-01-26 On Mud Run near the recently abandoned Shawnee Indian village of Pickewe Samuel Shellabarger was born in a log cabin on December 10 1817 It was in the middle of an endless Ohio forest a world away from civilization Indians said a bird could fly from the Ohio River to Lake Erie never having to land on the ground Mud Run was so deep into the forest that it seemed unlikely that anyone lost there could in a single lifetime win national fame and fortune There were clues in Samuel Shellabargers early years that suggest he might surely rise above this wilderness Shellabargers inspiration for a new America was a religious belief that God had created of one blood all the peoples of the earth and all were equal in God s sight whether he or his father wanted it to be so or not The nation he believed for its own sake should embrace equality before the law or dire consequences would result The nation s founders had declared that all men were equal but failed to achieve equality in practice His generation was called upon to correct the mistake But they let the opportunity slip from their grasp and created instead a new America he described as not fit to be Samuel Shellabarger did not become famous though he almost did He became instead a footnote in a forgotten story that the nation should have remembered And America he believed missed the only chance it might ever have to preserve democracy in the nation **The Annual American Catalogue 1886-1900**, 1897 **Pioneer Life in Dayton and Vicinity, 1796-1840 (Classic Reprint)** John Farris Edgar, 2017-11-21 Excerpt from Pioneer Life in Dayton and Vicinity 1796 1840 I have endeavored to be accurate as to dates family names etc but to quote from Henry Howe whoever expects to find this volume free from defects has but little acquaintance with the difficulties ever attend ant upon procuring such materials I must here close with the observation that I have passed the allotted age of human life and although in sound health cannot expect for many more years to witness its mysterious ever varying changes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works General Catalogue of the Public Library of Detroit, Mich.
