The background of the entire image is a photograph of a vast, flat green field, possibly a prairie or tundra, stretching to a distant horizon. A single, dark, rounded tree stands out on the horizon line. The sky above is filled with soft, white and grey clouds, suggesting an overcast day. The overall tone is serene and expansive.

*A Victorian Educational Pioneer's Evangelicalism, Leadership, and Love* Pauline A. Phipps, 2022-11-15 This book examines the relatively unknown English late Victorian educational pioneer Constance Louisa Maynard 1849 1935 whose innovative London based Westfield College produced the first female BAs in the mid 1880s An atypical and powerful woman Maynard is also notable for her unique knowledge of psychology and patriotic Evangelicalism both of which profoundly shaped her ambitions and passions In contrast to most history about an individual's life this book builds a fascinating life story based upon evidence and clues from minutiae The focus is on nine enigmatic actions motivated by Maynard in her quests for educational leadership global conversion and same sex love Maynard's acts that she called mistakes caused deep enmities with administrators and college women Yet amid her trials and conflicts Maynard made key decisions about her public and private life Moreover her so called mistakes reveal astonishing new insights into a past mindset and the rapidly changing world in which Maynard lived

**Marx and Education in Russia and China (RLE Edu L)** R Price, 2012-05-04 To many education students Russian and or Chinese education is at the same time their introduction to Marxism and many students go no further This book sets the record straight by giving a thorough introduction to the writings of Marx himself as they relate to education It shows what Marxism implies for education as aim method and content It then proceeds to compare educational developments in the former USSR and China in the light of this analysis attempting to answer the question as to how Marxist this has been in the schools and outside them

**Education in the USSR** Joseph I. Zajda, 2014-05-20 Education in the USSR examines the current and official Soviet educational philosophy with emphasis on social moral and political aspects of Soviet education Organized into five chapters this book begins with a discussion on the origins of Soviet educational philosophy Then the Soviet school as an organization is explained Subsequent chapters elucidate the moral education and political socialization of Soviet schoolchildren and the education for labor patriotism and defense The education of Soviet teachers is also addressed

**A Modern History of Russian Childhood** Elizabeth White, 2020-02-20 A Modern History of Russian Childhood examines the changes and continuities in ideas about Russian childhood from the 18th to the 21st century It looks at how children were thought about and treated in Russian and Soviet culture as well as how the radical social political and economic changes across the period affected children It explains how and why childhood became a key concept both in Late Imperial Russia and in the Soviet Union and looks at similarities and differences to models of childhood elsewhere Focusing mainly on children in families telling us much about Russian and Soviet family life in the process Elizabeth White combines theoretical ideas about childhood with examples of real lived experiences of children to provide a comprehensive overview of the subject The book also offers a comprehensive synthesis of a wide range of secondary sources in English and Russian whilst utilizing various textual primary sources as part of the discussion This book is key reading for anyone wanting to understand the social and
