Pioneering Michigan:

Irish Immigrants in Michigan: A History in Stories Pat Commins & Elizabeth Rice, 2021 To leave or stay was the question for the Irish in the nineteenth century In Ireland people suffered persecution poverty and famine America offered freedom and opportunity For those who left and came to Michigan the land s abundant natural resources encouraged them to become loggers miners fishermen traders and farmers Others became rail workers merchants lawyers soldiers doctors and teachers Governor Frank Murphy advocated for civil rights Sister Agnes Gonzaga Ryan administered schools and hospitals Charlie O Malley provided generously to suffering Irish people Lighthouse keeper James Donohue never let physical disability deter him Prospector Richard Langford discovered iron ore and then left others to mine its wealth Authors Pat Commins and Elizabeth Rice share one story from each Michigan county about Irish immigrants or their descendants Wild Women of Michigan Norma Lewis, 2017-09-04 Wild Women of Michigan commemorates the women of this state who boldly left their marks Countless Michiganian women performed extraordinary acts that challenged and improved the world Madame Marie Therese Cadillac served as the medicine woman in the frontier that became Detroit Annie Taylor survived rolling over Niagara Falls in a barrel After suffragist Anna Howard Shaw fought to vote the state saw an influx of women running for office In the 1970s East Lansing s Patricia Beeman aided in efforts to end apartheid in South Africa Suellen Finatri showcased an extreme side of equestrian sports by riding more than four thousand miles from St Ignace to Skagway Alaska And World War II army flight nurse Aleda Lutz evacuated more than 3 500 wounded soldiers and is still recognized as one of America s most decorated servicewomen Author and historian Norma Lewis commemorates the women who boldly left their marks *The Michigan Historical Review* , 1992 **Base Ball Pioneers, 1850-1870** Peter Morris, William J. Ryczek, Jan Finkel, 2014-01-10 By 1871 the popularity of baseball had spread so thoroughly across America that one writer observed It is as much our national game as cricket is that of the English While major league teams and athletes that played after this prophetic statement was made have been exhaustively documented and analyzed those that led the game during its pioneer phase from 1850 to 1870 have received relatively little attention In this welcome work leading historians of early baseball provide profiles of more than fifty clubs and their players from legendary teams such as the Red Stockings of Cincinnati and the Nationals of Washington to forgotten nines like the Pecatonica Illinois Base Ball Club and the Morning Star Club of St Louis Engaging narratives bring these long ago clubs back to life stimulating more research on this fascinating era and creating a standard reference source for all who study America s national pastime *Historical Collections* , 1889 **The Daughters of the American Revolution and Patriotic Memory in the Twentieth Century** Simon Wendt, 2020-09-01 In this comprehensive history of the Daughters of the American Revolution DAR one of the oldest and most important women s organizations in United States history Simon Wendt shows how the DAR s efforts to keep alive the memory of the nation s past were entangled with and strengthened the nation s racial and gender boundaries Taking a close look at the DAR s

mission of bolstering national loyalty Wendt reveals paradoxes and ambiguities in its activism While the Daughters engaged in patriotic actions long believed to be the domain of men and challenged male centered accounts of US nation building their tales about the past reinforced traditional notions of femininity and masculinity reflecting a belief that any challenge to these conventions would jeopardize the country's stability Similarly they frequently voiced support for inclusive civic nationalism but deliberately shaped historical memory to consolidate white supremacy Using archival sources from across the country Wendt focuses on the DAR's most visible work after its founding in 1890 its commemorations of the American Revolution western expansion and Native Americans He also explores the organization's post World War II history a time that saw major challenges to its conservative vision of America's imagined community This book sheds new light on the remarkable agency and cultural authority of conservative white women in the twentieth century *Pioneers of American Landscape Design II* Charles A. Birnbaum, Julie K. Fix, 1995 *Homer and Its Pioneers and Its Business Men of To-day* William Alfred Lane, 1888
