Pioneers Of Country Music:

Country Music Dayton Duncan, Ken Burns, 2019-09-10 A gorgeously illustrated and hugely entertaining story of America's most popular music and the singers and songwriters who captivated, entertained and consoled listeners throughout the twentieth century based on the eight part film series. This fascinating history begins where country music itself emerged: the American South where people sang to themselves and to their families at home and in church and where they danced to fiddle tunes on Saturday nights. With the birth of radio in the 1920s the songs moved from small towns, mountain hollers and the wide open West to become the music of an entire nation: a diverse range of sounds and styles from honky tonk to gospel to bluegrass to rockabilly leading up through the decades to the music's massive commercial success today. But above all Country Music is the story of the musicians. Here is Hank Williams's tragic honky tonk life, Dolly Parton rising to fame from a dirt poor childhood and Loretta Lynn turning her experiences into songs that spoke to women everywhere. Here too are interviews with the genre's biggest stars including the likes of Merle Haggard to Garth Brooks to Rosanne Cash. Rife with rare photographs and endlessly fascinating anecdotes, the stories in this sweeping yet intimate history will captivate longtime country fans and introduce new listeners to an extraordinary body of music that lies at the very center of the American experience.

The First Generation of Country Music Stars David Dicaire, 2015-01-27 This book focuses on 50 of the most important entertainers in the history of country music from its beginnings in the folk music of early America through the 1970s. Divided into five distinct categories it discusses the pioneers who brought mountain music to mass audiences, cowboys and radio stars who spread country music countrywide, honky tonk and bluegrass musicians who differentiated country music during the 1940s, the major contributions that female artists made to the genre and the modern country sound which dominated the genre from the late 1950s to the mid 1980s. Each entry includes a brief biography of the chosen artist with special emphasis on experiences which influenced their musical careers. Covered musicians include Fiddlin' John Carson, Riley Puckett, Gene Autry, Roy Rogers, Bob Wills, Bill Monroe, Hank Williams Sr, Dale Evans, June Carter Cash, Loretta Lynn, Buck Owens, Roy Clark, Willie Nelson and Merle Haggard.

stars at the forefront was Gene Autry a Texan whose life story made him a natural to be the country's most famous singing cowboy Autry would become a symbol of masculinity and morality on screen during the 1930s but it was effortless for someone who had already grown up riding horses to school Autry came of age at a time when the singing cowboy was at the apex of his popularity and like his most famous successor Roy Rogers Autry actually got his start in show business as a singer Even today Autry might be best known for being a pioneer of country music and the author of Christmas hits Here Comes Santa Claus Frosty the Snowman and Rudolph the Red Nosed Reindeer Autry would produce hundreds of recordings during his life helping ensure the popularity of the country music genre and earning inductions into several related halls of fame Roy Rogers came from an Ohio farm but regardless of his background Rogers certainly looked the part of the quintessential cowboy along with his wife Dale Evans and his horse Trigger His versatile singing and acting abilities made him successful both on radio and on the screen Rogers came of age at a time when the singing cowboy was at the apex of his popularity and that was favorable because he actually got his start in show business as a singer In the early 30s he bounced around several groups as a country music singer before earning national attention as a member of the Sons of the Pioneers who were signed to Decca and had a couple of hits As a result when he first appeared in movies in 1935 it was usually in bit roles that required singing but when Gene Autry threatened to quit acting in 1938 Rogers was viewed as a suitable replacement for lead roles As it turned out he became the premiere singing cowboy in Autry's stead and from 1939 1954 he was one of the Top 10 Western stars in Hollywood and a Top 10 movie star overall during some of those years Hank Williams is considered by many to be the first American superstar of the genre and the father of modern country music In the post World War II era at a time when country music was an insulated and regionalized cottage industry Williams almost personally oversaw its transition into a national mania that would be later taken up by such figures as Johnny Cash and Elvis Presley even as the musicians remained loyal to the genre's older rural roots But Williams remained distinctly and unapologetically Southern thereby avoiding adoption by the larger pop world even as his remarkable sense of phrasing and authentic texts fascinated pop artists across the country Johnny Cash The Man in Black is among the most recognized and iconic vocal artists in the history of blues country and gospel singing During the second half of the 20th century he produced a prolific and rarely equaled career in the country genre as a singer songwriter and guitarist despite numerous struggles with alcohol and drug addiction His trademark bass baritone voice is instantly identifiable to listeners today and his parlendo style combining an unaffected singing tone with a speech like rhythm and pacing has been taken up by the generation following his death in the early 21st century While many celebrities have desperately tried to get as far away as possible from their impoverished upbringings Dolly Parton constructed her star persona around the image of Appalachian country music culture In many ways Parton was raised in a quintessential Appalachian family and while she has been resolute in expressing her affection for this background it is impossible to deny that her upbringing posed obstacles that were difficult to overcome and related to societal and
