Pioneers in Education Robin Schultz Hunter, Tracy Kremer, Margaret Zalupski Slomba, Janet Graveline
Messenger, 2004-01-01 *The WPA Guide to Missouri* Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state's unique flavor The WPA Guide to the Show Me State of Missouri literally shows the reader the virtues of this lovely region by including vivid pictures of Art Deco skyscrapers in downtown Kansas City farm scenes the Ozark Mountains and the Missouri and Mississippi Rivers It includes historical essays about the influence of these rivers on the state as well as Missouri's important role in the American Civil War One Hundred Years for God and Country George John Hildner, 1940 *Emancipation* John Clay Smith (Jr.), 1999 *Emancipation* is the first truly comprehensive reference book covering the first one hundred years of African Americans in the legal profession Other legal historians and biographers must take Smith's work as a starting point for gauging the impact Black lawyers and institutions have had upon the evolution of the American legal profession *Black Issues in Higher Education* The sheer quantity of information contained in *Emancipation* is overwhelming the impact of page after page of data stories and lives and the thousands of detailed extensive footnotes and documentation is simply overpowering It is a monumental achievement *Southern University Law Review* A remarkable piece of scholarship *Emancipation* contains a wealth of information previously unknown even to those who consider themselves well informed about African American history It will I am sure serve as the definitive authority on the history of black lawyers for years to come *St Louis Post Dispatch* *Emancipation* is an important and impressive work one cannot read it without being inspired by the legal acumen creativity and resiliency these pioneer lawyers displayed It should be read by everyone interested in understanding the road African Americans have traveled and the challenges that lie ahead From the Foreword by Justice Thurgood Marshall J Clay Smith Jr is Professor of Law and formerly Dean at the Howard University School of Law He has served as President of the Washington Bar Association and as National President of the Federal Bar Association He was appointed U S Commissioner of the Equal Employment Opportunity Commission by President Jimmy Carter and later served as Acting Chairman under President Ronald Reagan He is the author of *Rebels in Law* *Voices in History of Black Women Lawyers* *One hundred years ago* Walter Barlow Stevens, 1921 **Index-catalogue of the Library of the Surgeon-General's Office, United States Army** National Library of Medicine (U.S.), 1972 **Missouri**, 1998 Once

considered a foolish boondoggle of Franklin Delano Roosevelt's Works Progress Administration the Federal Writers Project was initiated to allow employment opportunity to those associated with the arts during the Great Depression The American Guide Series became the most successful venture offering jobs to writers nationwide as each state endeavored to produce a comprehensive guidebook Under the direction of Charles van Ravenswaay former director of the Missouri Historical Society Missouri A Guide to the Show Me State was first published in 1941 Now in a classic reprint Missouri Historical Society Press restores this guidebook to its original splendor and returns it to the bookshelves With a current road map included with the book travelers can compare sights and tours described in the antiquated guide and see how they have developed or disappeared As Walter A Schroeder and Howard W Marshall describe in the updated introduction The unmarked dirt road impassable when wet that we encounter in reading the WPA guide is no longer a hurdle to be negotiated in order to reach an out of the way site Due to nearly thirty thousand additional miles of paved roadway and endless gas station and motel chains every corner of Missouri is now easily accessible And as Missouri Historical Society President Robert R Archibald states in the foreword If you are the kind of traveler who has no intention of stirring from a comfortable chair near the reading lamp this reprint is really all the equipment you require for a fascinating journey through the Missouri of the past One Hundred Years of Medicine and Surgery in Missouri Max Aaron Goldstein,1900 **The School News and Practical Educator** ,1895 *The Nation* ,1894 Congressional Record United States.
