Ethno-Aesthetics of Surf in Florida Anne Barjolin-Smith, 2020-09-21 Ethno aesthetics of Surf in Florida discusses surf and music as glocal sociocultural constructs Focusing on Florida s unexplored surfing culture the book illustrates how musical experience begets representations about the world that highlight ways of acting and being of various sociocultural communities Based on the conceptualization of ethno aesthetics this ethnographic study provides an analysis of the Space Coast surfers community s collaborative effort to build social cohesion through their musicking This transdisciplinary research in American Studies draws upon various theoretical perspectives from both the humanities and social sciences including ethnomusicology social psychology and sociolinguistics to propose new ways of exploring the links between surfing and musicking This monograph looks past the myth of iconic 1960s Californian surf music to show how as a result of the glocalization of surfing the musicking of Floridian surfers has allowed them to express their subjectivities and to make sense of their world This book contributes to the debate on the disputed notions of identity and representations by establishing connections between a local expression of the surf lifestyle and its music It proposes theoretical models that explain cultural

hybridization appropriation and belonging in surfing It also develops concepts and notions such as surfanization surf strand lifestyle crossover and identity marking to illustrate how global practices such as surfing are endowed with various modes of expression exemplified by the emergence of unique regional subcultures of surfing

Modern Sports around the World David Asa Schwartz, 2021-06-14 This superbly written volume will appeal to sports and physical education students researchers in foreign policy gender studies history politics sociology and technology and general high school and college readers who enjoy the odd sports history factoid Library Journal Sports have become an

international spectacle that influences nations foreign policy world economies and regional morale Hundreds of billions of dollars are at stake as governments and multinational corporations rush to make sure they have a place at the table And yet sports come from humble beginnings We are fascinated by who can run the fastest lift the most weight jump the highest swim the farthest and act with the most precision The history of sports is the history of the world Each chapter features one sport and details that sport s origins global migration economic forces media influences political environment pop culture inspirations scandalous moments and key individuals Sports history is a tapestry of sociological variables this text weaves them together to create a unique history book that explains not only where humanity has been but where it might be going

Mother Nurture Stephanie Hirsch,2008 Where did Beyonc get her groove Where did Lance Armstrong get his drive Where did Steven Spielberg get his creative vision Every success story begins with Mom When Stephanie Hirsch gave birth to her son she began to think about the kind of person she d like him to be generous family oriented loving courageous and professionally accomplished maybe he d turn out like Steven Spielberg But what she wondered had Spielberg s mother done so well What started out as one conversation with Steven Spielberg s mom became a quest to interview the mothers of some of the most talented artists brilliant journalists and dedicated athletes of our time Mother Nurture is an inspiring collection of fifty two stories filled with commonsense advice and memorable personal tales from caring mothers whose children have reached the apex of their fields from sports politics and music to literature entertainment and business If you re expecting or a parent or you just want to thank the woman who raised you Mother Nurture is both the perfect antidote to piles of contradictory parenting advice and a celebration of the gift of motherhood

Sustainable Surfing Gregory Borne,Jess Ponting,2017-03-16 Whilst being an ambiguous and contested concept sustainability has become one of the twenty first century s most pervasive ideas as humanity s increasing impact on the environment as well as increasing social and economic inequalities have local and global consequences Surfing is a globally recognised cultural phenomenon whose unique connection with nature and rapid expansion into a multibillion pound industry offers exciting synergies for exploring various dimensions of sustainability This book is the first to bring together the world s foremost experts on the themes of sustainability and surfing Drawing upon cutting edge theory and research this book offers multidisciplinary perspectives and methodological approaches on the social environmental and economic components of sustainable surfing Contributions provide unique discussions that bridge the gap between theory and practice exploring topics such as sustainable surf tourism surf econometrics surf activism surfing governance the surfing industry and technological advancements Each chapter produces in depth insights to provide foundational insights of the relationship between sustainability and surfing This book will appeal to multiple audiences in different disciplines and sectors Practitioners will benefit from the insights presented in this volume while both undergraduate and postgraduate students will find this volume an invaluable companion including those working in geography environmental studies sport sciences and leisure and tourism studies *Great Athletes* ,2010

American Book Publishing Record ,2003 **Pipe Dreams** ,2021 *Surf's Up* Louise Southerden,2003 A guide to equipment locations and techniques for surfers **The Publishers Weekly** ,2003 Songs of American Experience Marc Maufort,1990 This comparative literature study examines Eugene O'Neill's long neglected link with the 19th century American literary tradition It is the first scholarly work to focus exclusively on O'Neill's kinship with novelist Herman Melville Thus it sheds new light on aspects of O'Neill's craftsmanship that had hitherto been considered through a European looking glass With Melville the playwright shared a satirical view of American Puritanism Like the author of *Moby Dick* he developed an intensely personal concept of tragedy and was fascinated by the sea In other words both writers attempted through a strikingly similar sense of vision to define the reality with which their contemporaries were confronted and thus to create compelling songs of American experience **Forthcoming Books** Rose Arny,2004 *Zillions* ,1995 *The Growing Edge* ,1996 **Across the Board** ,1999
