Pirates & Slaves: Making of America Baylus C. Brooks, 2018-05-13 What are the origins of American Racism and Piracy how did we get to Donald Trump and the corporate domination of our democracy How did piracy develop in the Americas Who benefitted Who suffered Why did America keep it With the racist and irresponsible Trump administration s essential destruction of America s world reputation these become essential questions and this is an attempt to answer them by exploring their roots in British Imperialism The Brotherhood of Thieves Stephen Symonds Foster, 1886 Imperialism and Expansionism in American History Chris J. Magoc, David Bernstein, 2015-12-14 This four volume encyclopedia chronicles the historical roots of the United States current military dominance documenting its growth from continental expansionism to hemispheric hegemony to global empire This groundbreaking four volume encyclopedia offers sweeping coverage of a subject central to American history and of urgent importance today as the nation wrestles with a global imperial posture and the long term viability of the largest military establishment in human history The work features more than 650 entries encompassing the full scope of American expansionism and imperialism from the colonial era through the 21st century War on Terror Readers will learn about U S Native American conflicts 19th century land laws early forays overseas for example the opening of Japan and America s imperial conflicts in Cuba and the Philippines U S interests in Latin America are explored as are the often forgotten ambitions that lay behind the nation s involvement in the World Wars The work also offers extensive coverage of the Cold War and today s ongoing conflicts in Iraq Afghanistan Africa and the Middle East as they relate to U S national interests Notable individuals including American statesmen military commanders influential public figures and anti imperialists are covered as well The inclusion of cultural elements of American expansionism and imperialism for example Hollywood films and protest music helps distinguish this set from other more limited works **A History of United States of America** Horace Elisha Scudder, 1897 The New Encyclopedia of American Scandal George C.
