Pittsburgh Stories Clark Blaise, 2001 Written over four decades Pittsburgh Stories is the second in a projected four volume set of Clark Blaise's selected short stories Set largely during the forties and fifties these nine stories with one exception are reminiscences about a distant Pittsburgh adolescence The previous and inaugural collection in the series Southern Stories was also unified by one locale Blaise's prowess as a writer is evident from the outset The opening story The Birth of the Blues written in 1983 is clearly the work of a skilful deft craftsman A well honed tale it impresses with its subtlety and detail The protagonist young Frank Keeler witnesses his father's humiliation before a woman who has hired him to fix her pipes Standing before the two Keelers in her bathrobe she reprimands Frank's father and summarily dismisses him In so doing she sets both father and son alight with desire becoming for Keeler the prototype of all beautiful women For his father the most perfect bitch

Shadows On a Wall Hilary Masters, 2010-06-15 Novelist and essayist Hilary Masters recreates a moment in 1940s Pittsburgh when circumstances ideology and a passion for the arts collided to produce a masterpiece in another part of the world E J Kaufmann the so called merchant prince who commissioned Frank Lloyd Wright's Fallingwater was a man whose hunger for beauty included women as well as architecture He had transformed his family's department store into an art deco showcase with murals by Boardman Robinson and now sought to beautify the walls of the YM WHA of which he was the president Through his son E J Kaufmann jr the son preferred the lowercase usage he met Juan O Gorman a rising star in the Mexican pantheon of muralists dominated by Diego Rivera O Gorman's friend and mentor O Gorman and his American wife spent nearly six months in Pittsburgh at Kaufmann's invitation while the artist researched the city's history and made elaborate cartoons for the dozen panels of the proposed mural Like Rivera O Gorman was an ardent Marxist whose views of society were radically different from those of his host not to mention the giants of Pittsburgh's industrial empire Carnegie Frick and Mellon The murals were never painted but why did Kaufmann commission O Gorman in the first place Was it only a misunderstanding In the discursive manner for which his fiction and essays are noted Masters pulls together the skeins of world events the politics of art patronage and the eccentric personalities and cruel histories of the period into a pattern that also includes the figures of O Gorman and his wife Helen and Kaufmann his wife Liliane and their son Masters traces the story through its many twists and turns to its surprising ending E J Kaufmann's failure to put beautiful pictures on the walls of the Y in Pittsburgh resulted in Juan O Gorman's creation of a twentieth century masterpiece on a wall in the town of Patzcuaro Mexico

Don't Wound What You Can't Kill Jason Ross, 2010-02 On a dark and cold November night Vincent is on his way to close the biggest deal of his life and pave the way for his dream of opening his own tax firm to become a reality But when he is nearly killed by his cousin's henchmen his life is forever changed Readers can unravel a web of betrayal suspense danger and revenge in Jason Ross gripping novel Don't Wound What You Can't Kill Vincent works for his cousin William and is only disloyal in the way that

he is about to abandon him and open his own business He had no intentions on using any of his cousin s money which he could have easily embezzled without his cousin knowing a thing A man with principles Vincent is the one who informed his cousin that his men Harold and Ronald were embezzling from him But he never expected William would repay his loyalty with death Vincent barely escapes with his life stinging at the pain of betrayal His love for accounting and taxes had taken a back step to another more important matter revenge Vincent now knew what he had to do but he wonders at what price he would have to pay for his revenge The choice is obvious and there is no turning back Vincent finally crosses that thin line between good and evil that he had straddled along when he was a child His life as he knew it is over and his life as he never envisioned is just beginning Maybe man really does not have any control over how his life turns out how events both tragic and joyful help frame one s true destiny and set them on their true path Is a life of crime Vincent s true destiny Readers can unravel the answer and witness the intriguing events unfold in Don t Wound What You Can t Kill The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. IV Marcus Garvey, 2023-09-01 The fourth volume of the Marcus Garvey and Universal Negro Improvement Association Papers marks the period of deepening crisis in the UNIA s political and economic fortunes After September of 1921 membership declined and morale in the UNIA began to weaken Underlying it all however was the final failure of the Black Star Line that resulted when negotiations with the United States Shipping Board for the purchase of the long proposed African ship collapsed in March 1922 The movement also suffered a major setback when the first Liberian colonization plan aborted in the summer of 1921 On the political front Garvey s African program had to compete with W E B Du Bois s Second Pan African Congress There were also major shifts in Garvey s political strategy during this period his speeches reflecting a desire to placate the U S government while simultaneously assailing his left wing critics for promoting social equality This disavowal of radicalism earned him further enemies on the left One of his chief black critics Cyril V Briggs the leader of the African Blood Brotherhood unwittingly supplied federal investigators with evidence that led to Garvey s indictment on charges of mail fraud in February 1922 By prosecuting him however the Department of Justice did not discredit Garvey in the eyes of his followers rather it temporarily strengthened his hold over the movement as the appearance of persecution intensified the loyalty of the UNIA membership But later in 1922 Garvey did lose favor among many of his followers when it was disclosed that he had met secretly in Atlanta with the Acting Imperial Wizard of the Ku Klux Klan What Garvey had thought was a diplomatic triumph proved instead to be anathema to most blacks At the Third UNIA Convention in 1922 Garvey repudiated the entire executive council of the UNIA while expressing his anger of plots against him from within the UNIA leadership Loyalty to Garvey thus became a more urgent issue than ever before But although Garvey was once again able to silence his critics within the UNIA the price was to be a badly fractured and demoralized movement At the same time his political adversaries outside the UNIA were steadily gaining ground against him As meticulously documented as the three previous volumes Volume IV provides the first extended record of Garvey s

emergent social philosophy particularly as it relates to his conception of racial purity and the metaphysics of the human condition It stands as an impressive record of the Garvey movement The fourth volume of the Marcus Garvey and Universal Negro Improvement Association Papers marks the period of deepening crisis in the UNIA's political and economic fortunes After September of 1921 membership declined and morale in the UNIA began to weak **The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. IV** Robert A. Hill, Marcus Garvey, Universal Negro Improvement Association, 1983 Africa for the Africans was the name given in Africa to the extraordinary black social protest movement led by Jamaican Marcus Mosiah Garvey 1887-1940 Volumes I-VII of the Marcus Garvey and Universal Negro Improvement Association Papers chronicled the Garvey movement that flourished in the United States during the 1920s Now the long awaited African volumes of this edition Volumes VIII and IX and a forthcoming Volume X demonstrate clearly the central role Africans played in the development of the Garvey phenomenon The African volumes provide the first authoritative account of how Africans transformed Garveyism from an external stimulus into an African social movement They also represent the most extensive collection of documents ever gathered on the early African nationalism of the inter war period Here is a detailed chronicle of the spread of Garvey's call for African redemption throughout Africa and the repressive colonial responses it engendered Volume VIII begins in 1917 with the little known story of the Pan African commercial schemes that preceded Garveyism and charts the early African reactions to the UNIA Volume IX continues the story documenting the establishment of UNIA chapters throughout Africa and presenting new evidence linking Garveyism and nascent Namibian nationalism
