*The Life and Photography of Doris Ulmann* Philip Walker Jacobs, 2014-10-17 Doris Ulmann 1882 1934 was one of the foremost photographers of the twentieth century yet until now there has never been a biography of this fascinating gifted artist Born into a New York Jewish family with a tradition of service Ulmann sought to portray and document individuals from various groups that she feared would vanish from American life In the last eighteen years of her life Ulmann created over 10 000 photographs and illustrated five books including *Roll Jordan Roll* and *Handicrafts of the Southern Highlands* Inspired by the paintings of the European old masters and by the photographs of Hill and Adamson and Clarence White Ulmann produced unique and substantial portrait studies Working in her Park Avenue studio and traveling throughout the east coast Appalachia and the deep South she carefully studied and photographed the faces of urban intellectuals as well as rural peoples Her subjects included Albert Einstein Robert Frost African American basket weavers from South Carolina and Kentucky mountain musicians Relying on newly discovered letters documents and photographs many published here for the first time Philip Jacobs s richly illustrated biography secures Ulmann s rightful place in the history of American photography

Carnegie Magazine ,1997      **Images of Class** Jacopo Galimberti, 2022-09-06 The first overview of the unique encounter between artists and the prominent Marxist current Workerism also known as Operaismo During the 1960s and 1970s Workerism and Autonomia were prominent Marxist currents However it is rarely acknowledged that these movements inspired many visual artists such as the members of Archizoom Gordon Matta Clark and Gianfranco Baruchello This book focuses on the aesthetic and cultural discourse developed by three generations of militants including Mario Tronti Antonio Negri Bifo and Silvia Federici and how it was appropriated by artists architects graphic designers and architectural historians such as Manfredo Tafuri *Images of Class* signposts key moments of this dialogue ranging from the drawings published on *classe operaia* to *Potere Operaio* s exhibition in Paris the *Metropolitan Indians* zines a feminist art collective who adhered to the Wages for Housework Campaign and the N group s experiments with Gestalt theory Featuring more than 140 images of artworks many published here for the first time this volume provides an original perspective on post war Italian culture and new insights into some of the most influential Marxist movements of the twentieth and twenty first centuries worldwide      *Traces of Old Sharpsville* Ralph C. Mehler, 2024-04-05 Though just a small town Sharpsville has had an outsized influence on the American iron industry This book tells that story plus many more the canal that gave the town its start its railroads the personalities who lived here the churches and clubs its ethnic heritage sports heroes long gone landmarks and institutions and the traditions that make Sharpsville unique Events whether of local note or part of national trends are here recounted More than just an account of town lore this is a thoroughly researched book that gives the reader an insight into life here in years past from a variety of perspectives Anyone who lives in the Shenango Valley will find interest in these pages as will someone who has since moved away but whose heart still remains here The short articles contained

within this book are grouped into themed chapters With many not seen before photos it makes for an enjoyable and readable account of this little burg in times past *Subject Guide to Books in Print* ,1991 **The Painted Photograph, 1839-1914** Heinz K. Henisch,Bridget Ann Henisch,1996 As photography grew more popular following its invention in 1839 its admirers did not understand how a medium that rendered shapes and textures in exquisite detail could fail to render them in realistic color Also disappointing was the tendency of the captured images to fade over time Photographers ever eager to please their public began painting their photographs with substances ranging from water colors and oil to chalk and crayon Images were enlarged enhanced and framed to simulate the splendors of the traditional portrait With its rich variety of illustrations in color and duotone *The Painted Photograph* is the first comprehensive history of overpainting from its origins to World War I The 131 illustrations featured draw upon original nineteenth and early twentieth century sources most from America and Britain but also representing Japan Turkey Austria Germany Poland Canada Bohemia India Australia Norway Holland and Russia In describing a multitude of early techniques the authors survey overpainting on various types of photographs including daguerreotypes tintypes and imprinted porcelain milk glass enamel magic lantern slides and textiles Particularly fascinating are discussions of overpainted death portraits most commonly those of children and the origins of popular picture postcards featuring overpainted landscape scenes The Henisches address also the eager acceptance of the painted photograph throughout the world despite the hostility of the art critical establishment *The Painted Photograph* will appeal to a wide public interested in photography history sociology social anthropology folk art popular fashion and antiques
