Committee on the Judiciary,1966 **Steel Tough--the Pittsburgh Steelers** David Aretha,2008 A history of the stars and history of the Pittsburgh Steelers Great Moments in Pittsburgh Steelers Football Brian Kelly,2018-06-30 This book begins at the beginning of Football and goes right to the Mike Tomlin era It is written for those of us who love Pittsburgh Steelers Football Those who are not the top fans of the Steelers will also want possession of this book so they can get a leg up on the facts missing from bookshelves of those Steelers fans who do not have this book The book first tells the story about the precursor

teams to the Pirates and then the founding of the Pittsburgh Pirates as a new National Football League NFL team from Pittsburgh in 1933 But it reaches back even further in history than 1933 to find the precursor professional football teams from the turn of the century when Pro Football was just beginning This book actually takes the Steelers fan on a journey from when there was no football at all to where American football was only a dream and then to where American football was played only by colleges with a mixture of soccer and rugby rules After explaining how primitive man played football this book quickly moves on to describe the beginning of football in the US and it recounts the first American Football Game in 1869 From there the progression includes college football teams that loved the new sport and their football graduates looking for a place to play football after college Eventually all of this builds up to the NFL and of course the Pittsburgh Pirates who became The Pittsburgh Steelers then the Steagles Card Pitt and then a return to the Steelers name It moves on to the team s first football game in 1933 and the first Steelers coach an unknown named Forrest Douds Then of course it moves to the new era Pirates Steelers after thirty years of tough going until the team hired the phenomenal immortal Chuck Noll and then the to be immortals Bill Cowher and Mike Tomlin who between all of them chalked up six Super Bowl wins tops in the entire NFL After thirty years management eventually hired great coaches The current coach Mike Tomlin became the youngest head coach to win the grand prize of football when the Steelers defeated Arizona in Super Bowl XLIII It seems like yesterday but for those pros trying to create a league out of nothing there would have been nothing without their hard work And of course this great book about the Steelers eventually gets a deep look at the great and soon to be immortal Patriots coaches including Chuck Noll Bill Cowher Mike Tomlin Jock Sutherland and Buddy Parker Mike Tomlin the current coach of course has his own Super Bowl belt with a big notch in it for the win over Arizona The book you are reading now captures the great moments in Steelers Football even before the Steelers were the Pittsburgh Steelers This Steelers first book takes the reader through stories about the Steelers 16 coaches most of whom in early times had losing records and it progresses to great stories about the 85 seasons worth of great games 1571 games with 655 great wins The book often stops in time and talks about a particular great player such as John Stallworth Jack Ham Jack Lambert Jerome Bettis Hines Ward Franco Harris Rod Woodson Mel Blount Le Veon Bell Antonio Brown Ben Roethlisberger and of course the inimitable Terry Bradshaw a great QB with four Super Bowl Rings the greatest Steeler of all time He matches his talent with an outstanding personality Though other teams are looking to pass the Pittsburgh Steelers record in Super Bowl victories the view from the back is not as good as the Steelers view I dare you to pick up this book If you are an avid Steelers fan you will never put it down again You cannot ever get enough of Steelers greatness but we do provide as many stories together in one spot as we can in this can t miss book
