PK Cameron Lee,1992 The Hidden World of the Pastor Kenneth L. Swetland,2007-01-08 There is no question that pastors are under great stress today Difficulties tear at the heart of the pastor but are often hidden from the view of the congregation Kenneth Swetland presents a compelling look at this hidden world through true stories from pastors of different ages and from different parts of the country various denominations and diverse backgrounds Meet Pete Dirk Norm Ted and others who face such problems as depression sexual sin family concerns friction in staff relationships gender and leadership conflicts debt and divorce The thirteen case studies can be read alone or used by groups of pastors and or students for discussion Reading and discussing the case studies will give insight into the pastor s own problems Having worked through their own concerns they will be better equipped to minister to others Laypeople would also benefit from reading the cases to gain deeper understanding of the world of pastoring and to learn when to offer support and counsel to their own pastors The Hidden World of the Pastor includes bibliographic entries as well as an appendix on how to teach a case study **That Their Work Will Be a Joy** Cameron Lee,Kurt Fredrickson,2012-09-01 For those who are called to it pastoral ministry can be a source of deep joy But there are also challenges An increasing number of pastors seem to be burning out under the load Congregations may not be aware of the many and conflicting demands placed on a pastor s time and energies nor the pastor s need for rest and personal support That Their Work Will Be a Joy was written to encourage mutual understanding between pastors and congregations about the stresses of ministry The authors present five principles that will help ministry remain more of a joy than a burden Every chapter contains practical recommendations targeted specifically for pastors congregational leaders and even seminarians preparing for ministry A dozen personal responses to the book written as letters from people in ministry have been collected together at the end The book is helpful as a ministry preparation text a guide for those serving as pastors or as a discussion starter for pastors support groups It will help church committees smooth a pastoral transition or calm seminary graduates anticipating their first placement The hope is that stressed out pastors will recover their sense of vocation and congregations will begin to fulfill their calling as the body of Christ **How to Keep the Pastor You Love** Jane A. Forthcoming Books Rose Army, 1993 **Religious and Theological Abstracts**, 1993 **American Book Publishing Record**, 1992 The Pastor's Kid Barnabas Piper, 2020-01-06 Advice on how to care for pastors kids and allow them to find their own faith and identity Pastors kids are

often burdened by others expectations but there is a wonderful solution both at home and in the church grace In this revised refreshed version of Barnabas Piper s best known book the author candidly shares his own experiences as son of pastor and bestselling author John Piper offering a challenge to our churches and to the families at their very heart how to care for pastors kids and allow them to find their own faith and identity Foreword by John Piper **The Pastor's Kid** Barnabas Piper,2014-06 Pastor s children face unique challenges and identity struggles The son of pastor and bestselling author John Piper addresses these issues candidly offering hope for PKs their pastors fathers and their churches **Unexpected Blessing** Cameron Lee,2004-04-02 Cameron Lee illustrates the nature of God s kingdom by contrasting each Beatitude from Jesus Sermon on the Mount with the ways that our self centered culture tugs at us His exposition helps us reevaluate our cultural assumptions and challenge the world s values **10 Things That Every Preacher's Kid Needs to Know** Anthony Phillips,2016-11-15 10 Things That Every Preacher s Kid Needs To Know is a funny but impactful view into the life of a Preacher s Kid Written from the perspective of Caleb a 12 year old boy this book addresses many of the difficulties of being a PK Preacher s Kid The goal is to help them overcome the burdensome expectations that come with being a child of a pastor evangelist or missionary Instead of searching for their identity within their father s ministry this book encourages them to find their acceptance and identity in Christ alone The truths found here also challenge both kids and parents alike to find a balance between family and ministry **Selfie Esteem From A Christian Perspective** Chas Marshak,2021-07-02 This book opened the door for deeper discussions on family and helps put real life issues for our children and our circumstances into perspective that helps us embrace a more love filled and brighter future The book is thoughtful and full of the things we often think about in our heads but don t actually talk about as openly as we should It puts things like tolerance into perspective and helps to really push the readers to stand up for their children their families and their love because it is all so important This book which though written from the Christian perspective is intended to be an encouragement and help to anyone who cares about kids makes an effort to discover some answers and propose some solutions It s no silver bullet and even in this presentation there is a sense in which like the proverb says there is nothing new under the sun But hopefully the thought process represented here will be helpful to parents teachers and others who care about kids and even and especially to any Selfies who are willing to lay the phone aside and take up a book After all the Selfies of today are the superintendents of tomorrow **Daughter of a Preacher Man** Anna Picard,2011-10 This reflection though brutally honest provides insight to the conflicts that face the children of ministers pastors religious clergy deacons and church leaders It challenges fellow Christians to nurture the lives of these children without punishing judgements This work provokes congregants and leaders to nurture preachers kids and provide heartfelt guidance and vigilant prayer It encourages prayer warriors to guard over the hearts of your preachers kids The book leads the reader toward self examination and self correction love and respect of oneself The author makes a noteworthy disclaimer I do not have a license in counseling a degree in psychology or theology I

am not an elder or deacon in any church nor do I hold office as a board member on any religious organization I am not a minister pastor or evangelist I am neither an acclaimed author nor an authority of any kind Forgive me if I have misquoted scripture or taken verses out of context I hope the Bible verses I have quoted throughout this booklet would not seem preachy but then again I am a preacher's daughter smile I trust that these scriptures will grab at your hearts and soothe your soul wounds I hope they will provide a new perspective and they would be as you have never heard them or thought of them before The author writes from a from a unique perspective that of a preacher's kid I am the voice of a group that is easily misunderstood and even shunned We are the group that should know better Just being born into the subculture of preachers kids we are automatically judged by all the righteous and the unrighteous alike We are expected to by default be good be upright make no mistakes be all things to all men all of the time We are to be mature in all judgments from the moment of birth and on and on it goes Few can comprehend our journey toward our Father on a road less traveled This journey will be enlightening and comforting to all who read it It will bring hope to those who are confused and lost The book although empathetic to all parties makes all accountable for their behaviors towards others and to the Heavenly Father It is with great love and sensitivity that the author leads the reader to finding relationship with Jesus Just for a moment the reader can walk in the shoes of preachers kids with understanding and empathy It brings much needed direction and guidance The author attempts to bridge the gap between all of you and preachers kids It also attempts to bridge the disconnect between preachers kids and Jesus This work is raw and honest as well as a relection of a lost generation who need to know the true power of redemption and the priceless gift of grace and love

Serving God in the Fish Bowl Holly Tucker, 2016-02-02 Are you a PK who wishes they had a different family Have you been wounded by the church Do you feel that you don't measure up to everyone else's expectations Do you wonder if God's love for you is solely dependent on your performance or simply who your family is If you said yes to any of those questions this is the book for you The life of a PK holds unique challenges and can actually drive young people away from the church But the difficulties that pastors kids sometimes experience shouldn't force them away from God In *Serving God in the Fish Bowl* Holly Tucker provides insights into the life of a PK using her own experiences Through prayer and lots of God-given wisdom she provides daily Scriptures that are designed to give support to PKs who may be struggling in their faith Holly spent her entire life as a PK It is this fact that drives her desire to assist other PKs to become all that God wants them to be
