The Place of the Lion Charles Williams, 2015-10-19 The Place of the Lion by Charles Williams Platonic archetypes begin to appear around an English country town wreaking havoc and drawing to the surface the spiritual strengths and flaws of individual characters If it is not stopped the entire world will be destroyed by their terrifying power What happens when the cosmic Forms start pulling our world into theirs One of the weirdest and most provocative novels ever written **The Place of the Lion** Charles Williams, 2019-11-13 The Place of the Lion is a fantasy novel written by Charles Williams The book was first published in 1931 by Victor Gollancz **The Place of the Lion** Charles Williams, 2018-06-28 The Place of the Lion is a fantasy novel written by Charles Williams The book was first published in 1931 by Victor Gollancz Platonic archetypes begin to manifest themselves outside a small Hertfordshire town wreaking havoc and drawing to the surface the spiritual strengths and flaws of individual characters Their focus is the home of Mr Berringer the leader of a group interested in magical symbolism who falls into a coma after contact with the first archetype unleashed the lion of the title Other powers follow this one and cut off the town from the rest of the world that they will inevitably absorb and reshape Among those overcome and destroyed by the raw powers they encounter are two members of the group Mr Foster and Miss Wilmot whose motivation is ultimately selfish A chance visitor to the group the academic author Damaris Tighe narrowly escapes the same fate but is saved at the last moment by her cousin and fiancé Anthony Durrant She then sets out to locate Anthony's friend Quentin Sabot who had been with Anthony when the lion first appeared and has now fled into the countryside overcome with terror Meanwhile with the help of another group member Mr Richardson who also has the inner strength to withstand the angelical archetypes Anthony is enabled to understand the process that has been unleashed by Berringer Together they plan to counter it and reverse the threat Its next phase has already started and some of the town's buildings begin to collapse as Berringer's house is swallowed in a column of unquenchable flame Armed with the secret names of the archetypes from a grimoire Anthony summons them back to their point of focus while Richardson neutralizes the fire by walking into it wikipedia.org *The Place of the Lion* Charles Walter Stansby Williams, 2014-09-26 Platonic archetypes begin to appear throughout England wreaking havoc and drawing to the surface the spiritual strengths and flaws of individual characters
