## **Place Of Tolerance In Islam:**

*The Place of Tolerance in Islam* Khaled Abou El Fadl, 2002-11-08 Khaled Abou El Fadl a prominent critic of Islamic puritanism leads off this lively debate by arguing that Islam is a deeply tolerant religion Injunctions to violence against nonbelievers stem from misreadings of the Qur'an he claims and even jihad or so called holy war has no basis in Qur'anic text or Muslim theology but instead grew out of social and political conflict Many of Abou El Fadl's respondents think differently Some contend that his brand of Islam will only appeal to Westerners and students in liberal divinity schools and that serious religious dialogue in the Muslim world requires dramatic political reforms Other respondents argue that theological debates are irrelevant and that our focus should be on Western sabotage of such reforms Still others argue that calls for Islamic tolerance betray the Qur'anic injunction for Muslims to struggle against their oppressors The debate underscores an enduring challenge posed by religious morality in a pluralistic age how can we preserve deep religious conviction while participating in what Abou El Fadl calls a collective enterprise of goodness that cuts across confessional differences With contributions from Tariq Ali Milton Viorst and John Esposito and others

**The Spirit of Tolerance in Islam** Reza Shah-Kazemi,2012 In 1932 the eminent British scholar of Islam Sir Hamilton Gibb wrote The nobility and broad tolerance of this religion Islam which accepted all the real religions of the world as God inspired will always be a glorious heritage for mankind No other society has such a record of success in uniting in an equality of status of opportunity and of endeavor so many and so various races of humanity Whither Islam Such scholarly objectivity

towards the tolerance which has historically characterized the Islamic tradition as a whole is in short supply these days Through an insidious symbiosis of fanatical Muslims and prejudiced Islamophobes the very opposite image of Islam has emerged as one of the most dangerous stereotypes of our times The most cursory glance at history will not only reveal the falsity of this stereotype of an intolerant Islam it will also reveal the little known fact that not so long ago it was the Islamic world that provided models of tolerant conduct for a fanatically intolerant Christian world tearing itself apart over dogmatic differences The first part of this monograph examines the historical record of tolerance in the Islamic tradition illustrating the expression of the principle of tolerance through the rule of such dynasties as the Ottomans Mughals Fatimids and the Umayyads of Spain In the second the principle of tolerance is shown to be rooted in the spirit of the Qur'anic revelation and embodied in the exemplary conduct of the Prophet
