

Place And The Politics Of Identity

Michael Kenny

Place And The Politics Of Identity:

Place and the Politics of Identity Michael Keith, Steve Pile, 1993 This brings together some of the most radical voices in geography to explore the interface of space politics and identity in the formulation of a new cultural politics **The Politics of Identity** Christine Agius, Dean Keep, 2018 This book explores identity as contingent fragmented and dynamic across a range of global sites and approaches that deal with citizenship security migration subjectivity memory exclusion and belonging and space and place It explores the political and social effects and possibilities of identity practices discourses and policies Resistance, Space and Political Identities David Featherstone, 2011-06-20 Utilizing research on networked struggles in both the 18th century Atlantic world and our modern day Resistance Space and Political Identities The Making of Counter Global Networks challenges existing understandings of the relations between space politics and resistance to develop an innovative account of networked forms of resistance and political activity Explores counter global struggles in both the past and present including both the 18th century Atlantic world and contemporary forms of resistance Examines the productive geographies of contestation Foregrounds the solidarities and geographies of connection between different place based struggles and argues that such solidarities are essential to produce more plural forms of globalization Environment and Planning , 2008 **Space, Politics and Aesthetics** Mustafa Dikec, 2015-06-04 Mustafa Dikec reveals the aesthetic premises that underlie Hannah Arendt Jean Luc Nancy and Jacques Ranciere s political thinking and demonstrates how their politics depend on the construction and apprehension of worlds through spatial forms and distributions Exploring these dimensions of the political he argues that politics is about how perceive and relate to the world Space is a form of appearance and a mode of actuality and the disruption of such forms and modes is the sublime element in politics **God and the EU** Jonathan Chaplin, Gary Wilton, 2015-12-14 The current political economic and financial crises facing the EU reveal a deeper cultural indeed spiritual malaise a crisis in the soul of Europe Many observers are concluding that the soul of Europe cannot be restored to health without a new appreciation of the contribution of religion to its past and future and especially that of its hugely important but widely neglected Christian heritage which is alive today even amidst advancing European secularization This book offers a fresh constructive and critical understanding of Christian contributions to the origin and development of the EU from a variety of theological and national perspectives It explains the Christian origins of the EU documents the various ways in which it has been both affirmed and critiqued from diverse theological perspectives offers expert theologically informed assessments of four illustrative policy areas of the EU trade finance environment science and also reports on the place of religion in the EU including how religious freedom is framed and how contemporary religious including Muslim actors relate to EU institutions and vice versa The book fills a major gap in the current debate about the future of the European project and will be of interest to students and scholars of religion politics and European studies

Gender and Political Identities in Scotland, 1919-1939 Annmarie Hughes, 2010-05-15 This work offers a unique

contribution to gender and Scottish history breaking new ground on several fronts there is no history of inter war women in Scotland very little labour or popular political history and virtually nothing published on women the home and family This book is a history of women in the period which integrates class and gender history as well as linking the public and private spheres Using a gendered approach to history it transforms and shifts our knowledge of the Scottish past unearthing the previously unexplored role which women played in inter war socialist politics the General Strike and popular political protest It re evaluates these areas and demonstrates the ways in which gender shaped the experience of class and class struggle Importantly the book also explores the links between the public and private spheres and addresses the concept of masculinity as well as femininity and pays particular reference to domestic violence The strength of the book is the ways in which it illuminates the complex interconnections of culture and economic and social structure Although the research is based on Scottish evidence it also uses material to address key debates in gender history and labour history which have wider relevance and will appeal to gender historians labour historians and social and cultural historians as well as social scientists

Identity, Culture, and Politics ,2004 *Philippine Politics and Governance* Teresa S. Encarnacion Tadem,2006 Essays on topics such as Women and Politics in the Philippines the Environmental Movement and Philippine Politics Philippine social movements before during and after Martial Law Religion Church and Politics in the Philippines and much more **Women and the Politics of Place** Wendy Harcourt,Arturo Escobar,2005 Highlights the interrelations between place gender politics and justice Draws upon women s place based experiences across the globe In *Women and the Politics of Place* Wendy Harcourt and Arturo Escobar analyze women s economic and social justice movements by challenging traditional views The authors reveal how an interrelated set of transformations around body environment and the economy factors into place based practices of women and how these provide alternative ways of advancement in these mobilizations The book develops a conceptual framework based on the most current debates in anthropology geography ecology feminist and development studies This guides academics activists and policymakers toward an understanding of how women are politically negotiating globalization Also featured are the experiences of women working to defend their homelands on issues such as reproductive rights land and community rural and urban environments and global capital Written for wide use by academics students and practitioners *Women and the Politics of Place* bridges the division between academic and activist knowledge with an original analysis of global feminist issues **Annals of the American Academy of Political and Social Science** ,1897

Recognizing Political Identity Keith J. Bybee,1995 **Inventing Places** Kay Anderson,Faye Gale,1992-10-27 Comprised of topical subjects relating to western societies such as environmentalism urban conservation retail leisure and corporate culture regionalism the cultural world of the rich race and gender constructs Contrasts European and indigenous perceptions of land and resources highlighting the basic relativity of all human ways of seeing Material is drawn largely from Australia New Zealand England the U S and Canada in an attempt to give the same quizzical attention to the West that is

usually reserved for other people and places *The Idea of Democracy in the Modern Era* Ralph Ketcham, 2004 Although the last half of the twentieth century has been called the Age of Democracy the twenty first has already demonstrated the fragility of its apparent triumph as the dominant form of government throughout the world Reassessing the fate of democracy for our time distinguished political theorist Ralph Ketcham traces the evolution of this idea over the course of four hundred years He traces democracy's bumpy ride in a book that is both an exercise in the history of ideas and an explication of democratic theory Ketcham examines the rationales for democratic government identifies the fault lines that separate democracy from good government and suggests ways to strengthen it in order to meet future challenges Drawing on an encyclopedic command of history and politics he examines the rationales that have been offered for democratic government over the course of four manifestations of modernity that he identifies in the Western and East Asian world since 1600 Ketcham first considers the fundamental axioms established by theorists of the Enlightenment Bacon Locke Jefferson and reflected in America's founding then moves on to the mostly post Darwinian critiques by Bentham Veblen Dewey and others that produced theories of the liberal corporate state He explains late nineteenth century Asian responses to democracy as the third manifestation grounded in Confucian respect for communal and hierarchical norms followed by late twentieth century postmodernist thought that views democratic states as oppressive and seeks to empower marginalized groups Ketcham critiques the first second and fourth modernity rationales for democracy and suggests that the Asian approach may represent a reconciliation of ancient wisdom and modern science better suited to today's world He advocates a reorientation of democracy that de-emphasizes group or identity politics and restores the wholeness of the civic community proposing a return to the Jeffersonian universalism that which informed the founding of the United States if democracy is to flourish in a fifth manifestation *The Idea of Democracy in the Modern Era* is an erudite interdisciplinary work of great breadth and complexity that looks to the past in order to reframe the future With its global overview and comparative insights it will stimulate discussion of how democracy can survive and thrive in the coming era *The Lost Promise of Progressivism* Eldon J. Eisenach, 1994 Congenital malformations are worldwide occurrences striking in every condition of society These severe physical abnormalities which are present at birth and affecting every part of the body happen more often than usually realized once in every 33 births The most common after heart defects are those of the neural tube the brain and spinal cord which happen in as many as one in every 350 births They have been noted as curiosities in man and beast throughout recorded history and received great attention in our time by various fields of study for example their faulty prenatal development by embryologists familial patterns by geneticists causation by environmentalists and variability by population scientists Attention turned much in recent years to the relation of these malformations to deficiency of a particular dietary ingredient folic acid a subject this book analyzes in depth The greatest conundrum of all which this latest matter like so much else hinges on is the amazing fact of the tremendous almost universal decrease in the frequency of these anomalies since

early in the 20th century The puzzle is What can this downward trend possibly mean and at bottom Whether it is part of a long term cyclical pattern This fascinating biological phenomenon is explored in the book together with various other topics

The Politics of Identity Michael Kenny, 2004-06-18 This book provides a comprehensive and critical assessment of the ways in which Anglo American political theorists have responded to the emergence of a politics of identity in democratic society It examines the merits and weaknesses of the ideas associated with the major schools and thinkers in contemporary philosophical liberalism It also provides a critical exploration of the arguments of their pluralist rivals including advocates of multiculturalism difference and recognition Kenny illustrates how debates over such concepts as identity difference recognition and culture are intertwined with political theorists characterizations of democracy citizenship and civil society In an analysis that juxtaposes normative political theory with the study of social movements and change the author challenges two widely held ideas about the relationship between liberal democracy and culturally based groups He questions the assertion that there is no place for identity based political argument in the public life of a democracy And he challenges the pluralist conviction that the re emergence of collective identities signals the demise of liberal culture and political thought Written in a clear and accessible style *The Politics of Identity* is intended for students scholars and general readers interested in contemporary political and social thought political ideologies and political culture

The Annals of the American Academy of Political and Social Science, 1897 **Red Lodge and the Mythic West** Bonnie Christensen, 2002 Tracing the story of Red Lodge from the 1880s to the present Christensen tells how a mining town managed to endure the vagaries of the West's unpredictable extractive industries economy She connects Red Lodge to a myriad of larger events and historical forces to show how national and regional influences have contributed to the development of local identities exploring how and why westerners first rejected and then embraced western images and how ethnicity wilderness and historic preservation became part of the identity that defined one town BOOK JACKET **The Political Economy of Identity** John Michael

Roberts, 1994 Identity Jonathan Rutherford, 1998 This collection of essays addresses the issues and concerns raised by the emphasis on society not as a series of homogeneous interlocking blocks but as a plethora of different sometimes overlapping and often conflicting communities Reflecting for example on the experience of the GLC's attempt to create a new majority of minorities and on the clash of values and beliefs over *The Satanic Verses* these pieces explore both the opportunities and problems presented by the growing diversity of communities cultures and identities in contemporary society Topics covered include consumerism and the impact of green politics racism and psychoanalysis ethics and values AIDS and citizenship and feminism and age
